THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

JANUARY, 2014

From Our Principal...

There is much more to the Christmas season than catching the sales on Black Friday or Cyber Monday and returning unwanted items on December 26th. Mary and Joseph were told by an angel to care for the child Jesus. We, too, must take Jesus with us on our journey into the New Year and care for Him as he cares for us.

The first semester has been completed, grades have been recorded and report cards will be available for viewing on RenWeb on January 10. Those grades are a permanent record of the students' efforts during the first semester. Some students have exemplary grades and some students have room for improvement. If you have any questions concerning your students academic progress, please contact the teacher. Don't miss a perfect opportunity to communicate and establish a strategy for success.

Key Club sponsored a drive to aid Food Net Food-for-Families and filled the TCH trailer. Our students were so generous and we delivered hundreds of pounds of food to the Food Net distribution center. During Thanksgiving, over four hundred fifty meals were prepared and delivered by the sophomore class as part of TCH Feeds the Hungry. Unassigned meals were delivered to St. Joseph's Diner. Thanks to all parents who donated product, time and money to assist their children in these worthwhile projects. A special thanks to parents of graduated students and faculty member families who have donated their time and efforts for many years.

We hope to sell a record number of \$10,000 Raffle and Silent Auction tickets this year. We are excited about this evening of food, fun, and dance on Saturday, February 8, at a new venue, the Petroleum Club. For many years this project has been jointly sponsored by the Teurlings All Sports Club and the Rebel Academic Backers Club. The proceeds from the dance assist the athletic department and the proceeds from the auction assist every student on our campus by providing state-of-the-art technology. Our computers are systematically becoming outdated and we have established a strategy for replacement. The greater the proceeds from the Silent Auction, the more upgrades can be made in the area of technology.

We would like to thank everyone who has given so much of themselves to make Teurlings Catholic the wonderful school that it is today. The heart and soul of our school is in direct proportion to that of our students, parents, and alumnus. As a school, we celebrate the Spirit of Christmas, the birth of our Savior Jesus Christ, one-hundred and eighty-one school days a year. As written by Charles Dickens, "I will honor Christmas in my heart, and try to keep it all the year."

Newsletter

The deadline for submitting articles for the February issue of the *Rebeldom* is January 21st. Email Maria Hanes (mhanes@tchs.net) with your articles and pictures.

Application Process for Admission

The application process for new students the 2014-2015 school year takes place during the month of January. Visit our website, www.tchs.net, and click the Admissions tab for more information and to apply on-line. **The deadline to apply is Friday, January 31, 2014.**

IMPORTANT

Siblings of students currently enrolled at TCH must follow these same procedures and comply with the deadlines. All sections of the on-line application must be completed and all supplemental documentation must be uploaded. Failure to do so will result in the student's application being placed on hold, thereby delaying the admissions process, and the student will be placed in line with others in the wait pool. There is no application fee; registration fees are due at registration, following acceptance to TCH, March 10-14, 2014.

Due to the volume of applications, all deadlines will be strictly enforced.

REGISTRATION

Current TCH students are not required to re-apply for admissions but are required to register on Renweb during the week of March 10-14, 2014. It is mandatory that parents register their students within the specified dates to assure their enrollment status and to avoid the late penalty. **More information about the registration process will be emailed to all accepted students and current TCH students on February 19, 2014.** For questions regarding registration, current TCH students may contact Lori Beslin (235-5711 Ext. 251 or lbeslin@tchs.net) and new students may contact Maria Hanes (337-235-5711 Ext. 1 or mhanes@tchs.net).

would like to wish you and your family a very
Merry Christmas

Happy New Year!

TCHS PLAN Scores, 2013

The results are in and our 10th graders excelled on the 2013 PLAN Test. As you can see from the chart, our 10th graders (the red score line) topped the national average in every category. Our ninth graders also took the 10th grade test and scored above the national 10th grade average in every category except math. As the test is designed to test 10th graders, it is assumed that students taking the test have already completed algebra and geometry, as well as two years of high school science, English and social studies. For our ninth graders to score above the national 10th grade average in English, reading, science, as well as on the composite is an accomplishment. In fact, our math score, considering that the students had just started the ninth grade, scoring less than a point below the national 10th grade average was also a good mark.

The scores were sent, so you should have your student's scores. So, what do the scores mean? In general, if your 10th grader takes the college-bound courses we require here at Teurlings and does the work as required, the PLAN score in 10th grade is a good indicator of where the student will score on the ACT as a senior. On the score report you received there will be a predicted ACT score. From my experience, a student who receives a 22 on the PLAN as a 10th grader has a good chance of earning a 24-25 on the

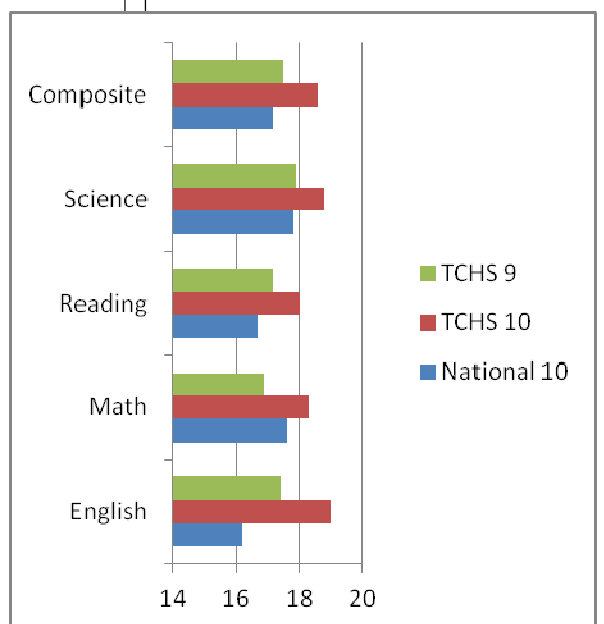

ACT; a student who has an 18 on the PLAN in 10th grade should get to the 20-21 level on the ACT; a student who earns a 25 on the PLAN in 10th grade would be predicted to earn a 27 or higher on the ACT senior year. Of course, the predictions, as noted above, are based on the student taking the proper courses AND doing the required work AND retaining the knowledge gained in the courses.

For ninth graders, the predictors could be even higher, since the score earned in ninth grade reflects 10th grade national norms.

How do we use the scores here at Teurlings? First, ninth grade scores are provided to our local Catholic elementary schools (Carencro Catholic, Holy Family, Immaculate Heart, St. Bernard, St. Cecilia, St. Genevieve, Sts. Leo-Seton, St. Ignatius, Trinity) at the request of their administrative teams so those schools can continue to chart the progress of their students and the effectiveness of their curriculum. Those ninth grade scores really indicate the knowledge base students brought with them to Teurlings. Ninth graders will take the test again in April and we will use those April scores to chart progress for our ninth graders this year, so we can see what effect our curriculum and teaching methods have had.

PLAN scores are also currently used to qualify students at TCHS for honors courses and by LA Tech and ULL to qualify students for the dual enrollment program.

This is the last year that we will be using the PLAN Test (and that elementary schools will use their version, the Explore Test). Beginning in 2014, ACT has a new pre-ACT test called the ASPIRE that is aligned with the Common Core State Standards adopted by Louisiana and 46 other states. We piloted the new test last spring. It is a very different test from the current PLAN, EXPLORE and even ACT Test and we will be working to prepare our students for the new tests next year. ACT will also be modifying their test in future years, again to align with the Common Core State Standards.

- ✓ Attention Seniors: Beginning January 1st, you can complete the FAFSA form online at www.fafsa.ed.gov. This is the TOPS application and also the application for receiving any kind of federal or state aid for which you may qualify. Only students who complete this FAFSA and meet the TOPS requirements will receive the award. The deadline to complete the FAFSA is July 1, 2014, however I encourage you to complete the form by the end of April. You will need to include your tax information even though TOPS has nothing to do with family income. If you have any questions, please feel free to call Mrs. Proctor at 337 235-5711 ext. 108. You can also refer to the Senior information booklet that you received at the start of the school year.
- ✓ Juniors need to apply to take the ACT test in February if they have not already done so. There are only three tests left this year. I strongly encourage each Junior to take the ACT at least two times prior to their senior year.
- ✓ Watch for an upcoming email on our next ACT Prep class which will be offered towards the end of January, prior to the February ACT test date.
- ✓ The deadline for the UL Lafayette scholarship is January 31, 2014. To apply students must apply for admission and have a 3.0 GPA and a 23 composite on the ACT. Applications can be downloaded at www.louisiana.edu.
- ✓ All Practice ACT and Practice SAT scores have been distributed to 9th, 10th and 11th grade students. Please call the Guidance Office if you have any questions or concerns.
- ✓ The Sophomores will be participating in Career Connections held at the Cajun Dome Convention Center. The event is set for the beginning of February. More information will be sent home in January.

Feed The Hungry

The TCH Theology Department would like to thank all of our sophomore families who participated in the "Feed the Hungry" project either by donating towards the dinner ingredients or giving up a part of your holiday time to help prepare and deliver the meals. We would like to extend special thanks to the following people who continue to "give back" to our sophomore service project year after year over these past 9 years: Stuart Melancon (Myles TCH'09), Randy Sonnier (Spencer TCH'09, Alayna TCH '16), Ann Dugas (Kasie TCH'10, Nicole TCH'12), Herman Landry (Ricky TCH '74), and Ron Latiolais.

We are also grateful to those TCH "faculty families" who volunteered their time to serving others : Michael Boyer, Terry & Meredith Hebert, Rhett & Ceata Hackett, Conrad & Nicole Frey, Brad & CarrieAnne Ledet; Liz Snyder; Mike Thibodeaux; Rose Andrus; and Josette Surratt.

Because of your and selflessness, we are able to deliver over 450 meals to various area apartment residents.

Season of Advent

The name Advent comes from the Latin words, *advenire* (to come to) & *adventus* (an arrival), and refers to Christ's coming into this world. It is that period of the year during which the Church requires the faithful to prepare for the celebration of the feast of Christmas, the anniversary of the birth and coming of Jesus Christ. Each Monday morning during the season of Advent, the school has joined together in lighting the advent wreath and praying special advent prayers.
