THE OFFICIAL NEWSLETTER FOR PARENTS OF  
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

**O C T O B E R , 2 0 1 3**

## From Our Principal...

**T**he summer tan lines have faded, cool weather is just around the corner, and we are nearing the end of the first quarter of the school year. The first transition from summertime fun to academic success was measured with the posting of students' progress reports. Hopefully, the progress report grades have either brought greater effort for some or spurred others to maintain exemplary success.

This publication is one of the many ways we communicate important dates, thoughts and expectations to our school community. Teurlings Catholic will be on Fall Break on October 14-15 and I know the students are excited about not having classes those days. On October 15, we will hold a Parent-Teacher Conference day. All teachers will be in their classrooms from 8:00 a.m. until 2:00 p.m., to distribute report cards and meet with parents to discuss first quarter grades of our students. This is a great opportunity for parents and teachers to communicate with each other and structure a format for success for each and every student.

We have many opportunities to express our Catholic identity in October: Reconciliation and Rebel Revival on October 2, Pro-Life Rosary on October 3, First Friday Adoration on October 4, Reconciliation October 9, 23, and 30, Liturgies on October 10, 17, and Homecoming Liturgy October 25. We invite parents to share these experiences with your children.

Our School Resource Officer (SRO) Marty DeRoussel has brought a variety of talents to our campus. He has assisted the administration in reviewing our Crisis Plan to make sure we are current. He has offered medical assistance on several occasions and has had to contact 911. Officer DeRoussel has been most visible and effective with traffic control before and after school.

The on-campus athletic stadium and the Guidance/Religious Formation building continue to bring excitement and visibility to our school. While the Rebel football team only has four (4) home games, we have scheduled twenty (20) football playing dates for our feeder schools. The athletic teams and physical education classes are training on the track and running stadiums. All three cheerleading squads and the dance team are practicing in the multi-purpose building and will be joined soon by the wrestling team. We have scheduled meetings in the Guidance/Religious Formation conference room for administration, departments, Safe Environment, and Diocesan groups, as well as, individual and group counseling sessions.

As a school, we work very hard to recognize and communicate the many wonderful and exciting achievements of our students. We also work very hard to have a safe, secure, and nurturing environment for our students and staff. This letter highlights several opportunities that parents have to receive information from and communicate with Teurlings Catholic. We hope you take advantage these informational opportunities.

## ACADEMICS

### Marty Heintz - Assistant Principal

#### First Quarter Report Cards, Grades, and Parent/Teacher Conferences

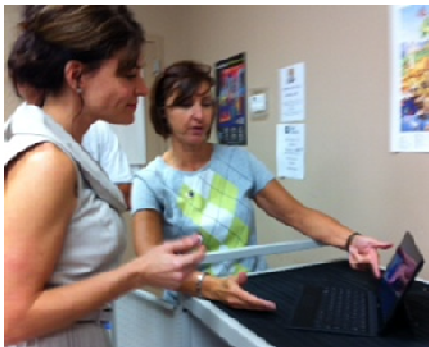

Our first report cards of the school year will be official on Friday, October 11. You will be able to view, download and print the report card at 9 AM that day. As I am sure you know, we have our Fall Break for students on October 14-15, with Parent/Teacher Conferences on the calendar Tuesday, Oct. 15 from 8 AM to 2 PM. Our faculty members will be available to meet with you during those hours. I am often asked, "Is this mandatory?" and my answer is "no." If you are satisfied with your student's grades, you do not have to meet that day. However, everyone is welcome. I do strongly suggest and encourage you to attend if your student is struggling and that struggle was reflected on the report card with a grade of D or F. If you decide to attend, please bring a copy of the report card with you. We do not schedule appointment times so there may be a line when you visit, especially if you do so between 11:30-1:00 when many parents stop by on their lunch hour. We try to limit the visits to a maximum of 10 minutes, so that every concerned parent can meet with the teacher. If you cannot attend, feel free to email the teacher with your concerns and schedule a face-to-face if necessary at a later date.

One last note on the subject of grades and report cards: obviously, if the student has an F in a subject, we have mutual concerns that need to be discussed. However, if your student, especially if that student is a freshman, is not quite doing as well as in previous years, don't panic. Remember that first quarter grade reflects the first few weeks of school, when students are adjusting to a new routine, new teachers and a new school or school year. Sometimes the straight A elementary student, by virtue of all the activities, classes and, admittedly, often harder subjects and work, earns a B or even two or three. While I'd like all students to be perfect 4.0 students, I know that is not always possible. Please be realistic. If you and your student are happy and he or she is working up to potential and juggling a couple of sports

and two or three additional extracurricular activities, then you have a good well-rounded student, even if there is a B or two on the report card.

Finally, look at things optimistically – we have three-fourths of the school, year left so there is plenty of time left, with effort, to improve ANY grade, literally, any grade, from F to B to 94/A. A study plan, reordering of priorities, focused preparation – all can help. Our guidance counselors are there to help you formulate a plan if necessary.

#### Computers, tablets and Promethean boards, oh my!

Technology Director Leslie Bergeron walks English IV teacher CarrieAnne Ledet through the basics of the new Microsoft Surface Tablets.

English IV students and teacher CarrieAnne Ledet got an early Christmas present recently, when 31 Microsoft Surface tablets with touch keyboards were delivered to the classroom by Technology Director Leslie Bergeron. The students will be using the tablets not only to write the papers required in the class, but for reading and research applications. With this additional purchase, we now have one-to-one computer capabilities in all English IV classes (both regular and dual enrollment) as well as all 9<sup>th</sup> grade English I classes (regular and honors), in Dual Enrollment English III and in two of

our English II classes. The Surface tablets, along with three new servers, a set of Active Expressions for Amie Adams' math classes, three additional Promethean boards, and the installation of new fiber for the TCHS computer network, are all being financed through funds generated by our Silent Auction and Annual Appeal.

In addition to those purchases, TCHS was lucky to be the recipient of a state grant, facilitated by the Diocese of Lafayette that enabled us to add 53 HP Elitebook Revolve 810 tablets to our computing inventory. Those tablets came with two Promethean board systems, two laser printers, two ActiView cameras, ActivSlates, and stylus pens, enabling our upper-level math classes to join the one-to-one technology revolution. With an additional purchase of Math XL software and online textbooks, our Calculus, Advanced Math I and II, Honors Algebra II and one section of Algebra II are moving towards a paperless classroom. Those students are learning to take assessments on the computer, completing homework with Math XL, and in some cases (Advanced Math II and Calculus) sending assignments back and forth to Louisiana Tech for college credit.

Advanced Math students work with the new HP Elitebook Revolve 810 laptops.

## TOUR de FORCE

We are very proud of our faculty and staff. Many have achieved status above and beyond the call of duty; all are terrific with the students. This column is designed to feature accomplishments of those faces on campus.

## Congratulations!

Ramey Badeaux, her husband Brooks, and their two children Brant and Finley welcomed a baby brother, Bradley Luke, born September 13, 9 lbs. 1 oz and 21 in. long.

This summer, Mrs. Linda Stoute TCH '65 Rouly donated her school bus to Teurlings Catholic. She presented Coach Milton Rohm with the keys! Thank you!!

September 20<sup>th</sup> was International Peace Day, a day designated for local people to try to build and strengthen peace world-wide. In collaboration, the Art Club and Theology had all students write, "What peace means to me" as a bell ringer. Some of those thoughts were

shared during the morning and afternoon announcements. The Art club made a paper chain using the writings and displayed the chain on the outside of the cafeteria.

Every morning, Charlie Pucheu-Morvant and Tyler Derouen hoist the flag in front of school. Every afternoon, they lower it. TCH is very fortunate to have these senior students and their knowledge of and experience with the flag code. They help our school maintain the proper respect and dignity with the displaying and folding of a U.S. Flag.

Congrats to the following freshmen elected as Student Council Class Officers: President **Jude Garrett**, Vice President **Katie McKenzie**, Secretary **Hollie James**, Treasurer **Brooks Hebert**, Public Relations **Han Do**, Class Coordinator **Jill Johnson**, and Class Representatives **Zoe Billeaud**, **Cohen Breaux**, **Chelsie Thibodeaux**, **Lidia Alcalá**, **Lindsey Alleman**, **Brooke Badeaux**, **Margaret Broussard**, and **Abbi Ray**.

The **flag football team** "The Show" defeated Lafayette High.

**Justin Ceasar** and **Colby Thousand** earned the Scout's highest rank of Eagle Scout on August 6, 2013. As a service to our disabled members of our community, for Justin's Eagle service project he poured a cement walkway and slab and installed a wheelchair accessible picnic table behind the tennis courts at Acadiana Park on East Alexander Street. He also planted two trees for shade. Colby's Eagle rank project was to construct a chicken

coop and shed for St. Joseph Diner on Simcoe Street. These two structures are part of the diner's community garden, which is being developed to help the diner become more self sufficient. The chicken coop was designed to prevent predatory animals from gaining access to the chickens, and provides each chicken with 10 to 12 square feet to roam. The project was officially completed in December 2012, and is serving the needs of the diner effectively. In addition to harvesting eggs, the chicken manure can be used for fertilizer for the vegetable garden.

## COUNSELOR'S CORNER

**Anna Proctor & Milton Rohm**

- ✓ On Wednesday, October 16<sup>th</sup>, all 9<sup>th</sup> and 10<sup>th</sup> grade students will take the PLAN test. This is a **practice** ACT. Coach Milton Rohm and Mrs. Aucoin will meet with all 9<sup>th</sup> and 10<sup>th</sup> grade students prior to the test. This is not only a great opportunity for students to practice ACT testing skills, but also helps to determine where student's strengths and weaknesses are. These scores will be used to determine if students can be placed into honors and DE courses the following year.
- ✓ On Wednesday, October 16<sup>th</sup> all 11<sup>th</sup> grade students will take the **Practice** SAT test. The SAT test is a college entrance exam used especially for students wanting to attend college out of state. Taking the **Practice** SAT is a great opportunity for our 11<sup>th</sup> grade students to practice their test taking skills. Also, students who do exceptionally well on the **Practice** SAT are entered into a scholarship competition called the National Merit Scholarship Qualifying Test or **NMSQT**. Mrs. Proctor will meet with the 11<sup>th</sup> grade students prior to the test to distribute practice questions and information about the test.
- ✓ Thanks to all the parents who attended the Freshmen, Junior and Senior College Seminars! We had a great turn out. Feel free to call the Guidance Office anytime you have questions.
- ✓ Students can register for the ACT at [www.actstudent.org](http://www.actstudent.org). Remember a new photo ID is required. Download the ACTphoto app to your iphone and following the easy steps.
- ✓ An ACT Prep Class is being offered on October 13<sup>th</sup>, and October 20<sup>th</sup>, which is the two Sundays prior to the October 26<sup>th</sup> ACT test. An email was sent home.
- ✓ Please visit our TCH website [www.tchs.net](http://www.tchs.net). Under the Academics tab, scroll down to Grades/Honors and utilize the Louisiana Core 4, and TOPS GPA Calculators.
- ✓ Seniors are encouraged to check the scholarship board, posted in Room 20, for announcements.

Scott Brazda of the Stuller Family Foundation developed and implemented the Junior Philanthropy Project; he and other members of the non-profit community have been teaching a four-week program to seniors in Ms. Caroline Savoie's religious studies classes about philanthropy. Each student will learn how to write a grant and submit it to the Stuller Foundation. The grant proposal that is chosen will be financed by the Foundation and TCH students will carry the project through from beginning to end.

### Tuition Assistance

Anonymous

The students of TCH, under the direction of Ms. Caroline Savoie donated \$1,604.24 during this year's baby bottle campaign for The Desormeaux Foundation's pregnancy resource center, St. Marguerite d'Youville Home, and Baby & Me Boutique. The gift enables the foundation to help young women with unplanned pregnancies seeking assistance. Approximately 90% of these women choose life.

Our wish list contains items requested by teachers, moderators, and coaches that would be helpful to them in the classroom or on the field or court as they guide and teach students. These items, although helpful and useful, are not covered in the school's budget. If you can assist, please contact Mrs. Aline Norwood in the Development Office at [anorwood@tchs.net](mailto:anorwood@tchs.net) or 235-5711 Ext. 105.
