THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

A P R I L , 2 0 0 5

From Our Principal...

For the past seven weeks, we have been speaking to members of our owner parish churches. We were also invited to share news about Teurlings Catholic at a church which is not an owner parish just to help get the word out about our high school. September marks the 50th anniversary of the school's existence. For half of a century, generations of students have received their Catholic school formation at Teurlings Catholic High School.

Celebrating our golden anniversary is an exciting event...but it also means that our buildings are 50 years old. Through the years, the facility has been lovingly patched and mended, but there is only so much that can be done with even the best of maintenance work. Some of the classrooms have to be renovated, some of the portable classrooms need to be replaced, and we need to add a few new classrooms.

We announced to all of our owner parishes that we have developed a master plan and capital campaign to address these needs, and our goal is to dedicate them on the occasion of our 50th anniversary. We will soon be sending this information home to all of our Teurlings Catholic families.

Our campaign is befittingly called, "The Values of the Past...The Spirit of the Future." We continue to prepare our students for the future while instilling the morals and values that have been part of the Catholic Church from its very beginning. It is time for us to take a look at the school's future to insure that Teurlings Catholic will continue to meet the Catholic educational needs of our Catholic community.

The Academic Pep Rally held on March 16 was a tremendous display of school achievement and talent. The theme "Ease on Down the Road with Good Grades" prompted many of us to remember the cast of characters that crossed the stage. The Rebel Dome looked like Munchkin Land and was filled to capacity, the program was exciting, the music added atmosphere, the entire faculty participated, and the students loved it. Our faculty members and parent volunteers are to be commended for orchestrating such a fabulous event. What a great way to spotlight the academic success of our students! Two hundred thirty-six students were recognized as XL award winners; that's 38% of the total student body.

On every Holy Thursday, we hold our annual sunrise Passion Play at 6:30 a.m. The best way to begin the most important four days in the Catholic Church is to share it with family. As in the past, our seniors elevate themselves as the spiritual leaders on our campus.

How many of you like to gamble? A ball game wager, a casino trip, and lottery tickets might be right up your alley. April brings us prom activities as they relate to Teurlings Catholic. When you do not set a curfew, allow your children to rent hotel rooms, sponsor after parties where anyone who can open the ice chest or look over the bar counter can drink, and let them act as though they are consenting adults, you are gambling with your child's life. You are gambling with your neighbor's or your best friend's child's life at the same time. When you let your children go to an after party, even though you or other parents are present, you are gambling with not only your child's life, but with the lives of other children when you condone the drinking of alcohol at these events.

Teurlings Catholic does not sponsor, condone, or advertise any after party or drinking corresponding to any school activity. Parents who allow drinking by underage children are breaking the law. Our children are all underage and the state of Louisiana and the Federal government say they cannot legally consume alcoholic beverages. The school will notify the appropriate agencies of any planned activity where drinking may take place that is associated with any school activity. Gambling is to take a chance. Most of the time when you are asked to take a chance, that chance ends up taking you. Love your children, don't gamble with them.

DISCIPLINE

Terri Baudier - Assistant Principal

Spring has officially sprung!

So much to look forward to; so much to do. We are now officially in the fourth quarter, and finishing strong is most important. Senior parents are making plans for the final events in their son's/daughter's high school career, and the freshman parents are thinking, "Only three more years to go!" Here are a few tips that may help you make it through spring.

- **Check the handbook for the Prom Dress Code.** We want our young ladies to look like pretty high school girls. Any girl wearing an inappropriate dress will not be allowed in. Inappropriate dress examples: too low in the front, too low in the back, or a slit too high up the leg. If you are not sure, give us a call.
- **A student must be at school for four hours** in order to participate in any after school activity or sport. This means you must check in by 10:30 am or check out no earlier than 11:30 am. This rule if for everyone.
- **Check out our K-12 Planet to see your child's discipline record!**
- **Make sure you keep up with your child's absences.** If you want to check the status of your child's absences, call Mrs. Tisha (ext. 100).
- **Make sure your son's hair cut is appropriate for school.**
- **Camera phones are not allowed** on our campus. Regular cell

phones must be in the student's locker or car.

• **Talk to your child about the dangers of using drugs and/or drinking alcohol.** We have many events coming up that may lead to these behaviors, including spring break, prom, and area festivals.

Senior Parents Only!

On April 28, we will have our annual senior crawfish boil. I will be working with the senior class representatives and officers to put the event together. I will need a group of parents to help me with the following: setting up, cleaning up, and helping serve crawfish. Last year, **Seth Citron, TCH '98** and owner of *Crawdaddy's*, boiled the crawfish and supplied trays, veggies and dip. If you are interested in boiling crawfish and can handle about 750-800 lbs., or if you sell crawfish, please call me as soon as possible, at 235-5711, ext. 102. If any parent would like to organize a parent group for this, please let me know. On that day, seniors will attend their senior mass in the RebelDome, go to St. Genevieve Middle School for donuts, come back to school to change into comfortable clothing, and then go to the back of the campus for the crawfish boil. We usually start boiling around 11:00am. Please consider helping out in any way possible; the seniors love to see their parents on senior day!

ACADEMICS

Marty Heintz - Assistant Principal

SENIORITIS

Five weeks and counting...If you are the parent of a senior, you know exactly what I am talking about. Seniors move into final exams the week of May 10, according to the following schedule:

Tues., May 10: 2nd & 3rd hr. exams

Wed., May 11: 7th & 1st hr. exams

Thurs., May 12: 5th & 6th hr. exams

Fri., May 13: 4th hr. exam

I have seen few things more pitiful, in my 17 years of dealing with seniors, than a senior who literally "blew" the opportunity for scholarships and, in a few cases, even college admission with a bad case of senioritis during the last two months of school. The end is near but not here yet. Seniors, as well as the rest of the student body, need to remember that school work continues until final exams are completed.

Parents, make sure your son or daughter does not blow off the last few weeks of school. Many of our seniors are borderline for TOPS awards, either waiting for that ACT score or hovering right below or above the 2.5 GPA requirement. Others are borderline for the larger TOPS awards for the same reasons. Please make sure your senior knows the year does not end until May 13.

BUSY TIME OF YEAR

For most of our students, April is one of the busiest months of the year. We have activities galore scheduled. There's baseball, softball, track, tennis, golf, and bowling; the Speech Tournament of Champions; Rebel Revue and Cheerleader tryouts; the annual TCH Art Show; prom; Grandparents' Day; Student Council elections; the spring blood drive; Earth Day; Mass with the bishop on April 14; the senior mass and crawfish boil; and the final ACT of the school year on April 9. In other words, there are a lot of things that will be on students' minds other than academics. Our teachers are going to attempt to focus the students, but we need the help of parents. Please make sure your student does not get so involved in the other activities going

on that he or she neglects studies.

Third quarter report cards were issued on March 23 and failure letters will be mailed out the next day. If the third quarter report card was not what you expected or if you receive a failure notice, please discuss the grades with your child and then contact the teacher. In most cases, there is still time to correct a problem but not without hard work on the part of the student and backing by the parent.

Finally, if you have any questions about academics, please do not hesitate to contact me (ext. 103) or call our guidance counselors, Anna Proctor (ext. 108) and Milton Rohm (ext. 114). We are all here to help you.

Guest Speakers

Mrs. Debbie Mills, former TCH teacher, was invited by Mrs. Dona Dugas to give a lecture to Biology students about bioterrorism.

Mrs. D. Dugas, Mrs. Doherty & Mrs. Martin all were instrumental in planning the visit of Holocaust survivor, Mrs. Elly Gross.

SCHOOL BOARD ELECTIONS - 2005

The TCH School Board serves as an advisory committee for the school. Board members may be elected by parents or appointed by pastors of the TCH owner parishes. Terms on the board require a three year commitment.

This year, four vacancies exist. Three are appointed positions to represent St. Peter Church, St. Elizabeth Seton and St. Genevieve Church. One is for a member at large position. All parents of TCH students may vote to elect the member at large.

Nominees for the at-large position should be parents of children currently enrolled at TCH and are registered for the following school year. Nominees should be willing to make the necessary commitment of time to serve as an effective board member. The following individuals and their spouses are NOT eligible for board membership:

- (1) Employees of the school
- (2) Employees of an owner-parish
- (3) Persons who work at the school but are paid for that work by another group, agency, individual or school system.

Please submit a brief bio of yourself. Include the name of your spouse and children with your children's grade levels. Additional information to include: church parish participation, community involvement and active interest in school activities. If you are a graduate of TCH, a statement regarding your Catholic school experience would also be appreciated.

Please consider giving of yourself in service to the school as a board member. **The deadline for candidate submission is April 15th.** Send your information to the front office at school or fax it to 337-234-8057, ATTN: School Board.

The Rebel Open golf tournament brings focus to the efforts of the Teurlings Catholic High School Foundation. The primary purpose of the foundation is to assure the longevity of Catholic education at Teurlings Catholic High School by establishing an endowment trust fund. The interest from the fund will be made available to the school to handle pressing needs as diverse as providing tuition assistance for needy students, chairing a faculty member, or making physical improvements to our campus. We have committed ourselves to building a successful and vital Foundation and appreciate all who have become involved in the effort.
