THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

FEBRUARY, 2007

From Our Principal...

Teurlings Catholic sponsored its fifth annual "Walk for Life" on January 22, 2007. In past years, the march from the TCH campus to the Diocese of Lafayette was a visible sign of Catholic school children efforts to bring attention to Roe vs Wade, which made abortion legal in our country. Due to the threat of inclement weather, the march turned into a rally in the Rebel Dome where over 1,100 students from thirteen additional Catholic schools participated, along with many people from different civic and parish communities. The march was visible; the rally was personal. What a great way for our students to learn to stand as one for what they believe. Teurlings Catholic has been the leader amongst schools in protest against Roe vs. Wade and has inspired other schools to do the same in their own communities.

During February we celebrate the season of Mardi Gras. Lent is the season that prepares us for the Easter season when Jesus died for our sins, was buried, and rose from the dead. Mardi Gras is the season of carnivals, parades, alcohol consumption, and overindulgence. I encourage you to put this event in proper perspective for your children and to teach them what the season of Lent is about. A few years ago, on the Sunday before Mardi Gras, an area high school student died in a vehicular accident as the result of alcohol, directly related to pre- and post- parade celebrations. This year, our students' actions will be in direct proportion to the spiritual formation at home and school.

I hope that many of you find the opportunity to attend the school play, *The Secret Garden*, scheduled for performances February 1-4 at Angelle Hall on the campus of UL Lafayette. This is the tenth school production, giving our students another opportunity to express their God-given talents. Director Cody Daigle, Speech Coach Josette Surratt, and the student cast and crew have been practicing since December. Whether or not you have a student actor, you will enjoy this performance.

The first semester grades showed that 57% of our students had a grade point average of 3.0 or higher. The spring semester brings many extra-curricular and curricular activities to the forefront in our students lives, but their focus should remain on their academic scores. 99.99% of our students become professionals in careers other than sports!

Congratulations to the Rebel Revue dance team for winning the Louisiana State Dance Championship in Hip-Hop and Jazz dance. The team will travel to Orlando the first week of February to compete in the National Dance Team Championship.

The Lafayette Daily Advertiser ran an article in advance of the pro-life march and interviewed our students. Senior Daniel Broussard said attending a school like Teurlings gives him more opportunities to get involved in causes he believes. Senior Joshua Fontenot said the school teaches more than academics. "Teurlings is a great school because they don't just teach you academics and athletics," he said. "They teach you values and character." I can't top that!

DISCIPLINE

Terri Baudier - Assistant Principal

PROM DRESS CODE!

If you haven't picked out your daughter's dress for prom yet, please keep in mind the following guidelines (also found on page 54 of the Parent/Student Handbook):

- Spaghetti or strapless dresses are allowed, as long as the dress is not low cut.
- If any cleavage is showing, the girl will not be allowed in.
- Slits on a long dress must be no higher than the knee.
- Please keep in mind that this is a Catholic High School Dance and these young ladies are expected to dress appropriately.

*If a male student is bringing a

guest, his date must also follow these guidelines.

As with Homecoming, we ask that the girls are dressed appropriately and if they are not sure, bring the dress to me to view before the dance or bring a cover up just in case.

K-12 PLANET

Please, please make sure that you check your child's discipline record every now and then. Many students do not tell their parents when they have a detention, but use the old "tutoring" excuse to get away with it. Even though they are minor violations, they can add up quickly!

TCH Chapel

There is such a tremendous desire to “reclaim” the chapel now that the speech department has relocated to the new classroom wing. Having a Chapel on campus would allow a sacred space for daily morning prayer and other prayer services, rosaries, quiet prayer and meditation for students during break, days of reconciliation for parents and students. It is even possible that the Chapel would include Alumni reunion prayer services and perhaps even weddings. School Board Facility Committee Chairperson David Guidry has met with volunteers and supply companies to gather information regarding the cost to do this. If you can volunteer your time and skills, donate some in-kind services from your business or company, or make a monetary contribution, please email David Guidry david1025g@aol.com or Aline Norwood in the Development Office anorwood@tchs.net.

ACADEMICS

Marty Heintz - Assistant Principal

IT'S OFF TO THE RACES!

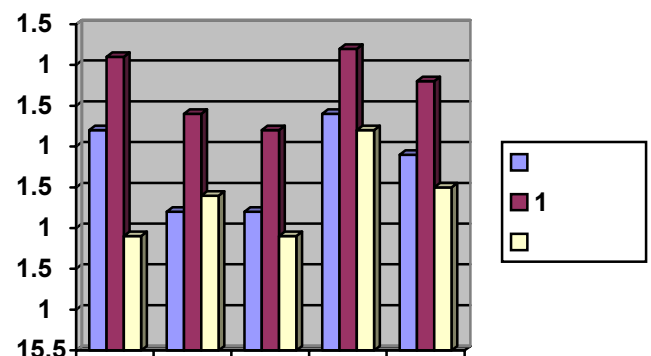

The second semester is well underway: Mardi Gras break is approaching; basketball, soccer and wrestling seasons are winding down; students are preparing for the spring sports; and everyone is looking forward to spring, sunshine, and warmer weather. In other words, the busiest time of the school year is upon us, and it conflicts with the season when the average student feels the least interested in being in a classroom, doing homework, or studying. Winter weather will turn to spring, the extracurricular activities really rev up, seniors especially begin looking forward to the end of the school year, and students are simply tired of school. Talk about a challenge for teachers and parents!

How DO you keep your student focused on the fact that the school year is nowhere near over? I wish I had some easy answers to give you but since each student is different, my best advice, from my own experience as a parent, teacher, and administrator, is to keep the communication lines open with your student. Let your child know your expectations. Check K12 Planet together with your child so you can discuss the grades posted and any problems you note, such as missed assignments. If your child knows you will monitor their academic progress on a regular basis, the student is more likely to keep up with assignments. Try to limit other activities. Is it really necessary for your child to stay up to midnight (or beyond) on the phone, text messaging, or on the computer? Does he or she really need to go out both Friday and Saturday night? Homework, tests, and studying will not ease up the second half of the year so a real balancing act needs to be worked out by you and your child.

If your student starts to slip academically this spring, take action quickly. Speak with your child and follow up with an email or phone call to the teacher. It would be a shame to see a good first half of the year erased by a case of spring fever.

GOOD NEWS

PLAN test scores were sent home to parents of 9-10th grade students with the mid-semester report card. Our 10th grade students scored well above the national norm in all phases of the test so we are extremely pleased. The test is given to 9th and 10th graders early in the school year. The national norms are based on 10th grade scores so our 9th graders are measured against 10th graders from throughout the country. I included the 9th grade scores so you can see the typical difference between scores at the two grade levels. Again, remember the 9th graders are being measured against 10th graders. As noted, our 10th graders are well above the national norms in all phases of the test. An explanation of the scores as well as predictions of individual student's ACT score potential was also sent to parents.

SCHEDULING

Students returning to TCH next school year will begin the scheduling process next month. Parents, please take time to go through the scheduling booklet with your student and help him or her select the courses that will best correspond with future plans and goals. There are some changes in the course selection and the honors course opportunities are being expanded.

Outstanding Teacher/Supporter Awards

On Sunday, January 21, the Diocese of Lafayette recognized outstanding teachers and Catholic school supporters from throughout the diocese. Teurlings is proud of our 2006-07 representatives: Teurlings Catholic Teacher of the Year, **Mrs. Linda Woodson Doherty**, and Catholic School Supporters of the Year, **Neal & Donna Olivier** and **Ronnie & Tara Callais**.

Mrs. Linda Woodson Doherty Outstanding Teacher of the Year

Mrs. Linda Woodson Doherty was selected Outstanding Teacher of the Year by students and faculty at Teurlings Catholic High School. Mrs. Doherty teaches American History and 20th Century U.S. History. She also meets with students every

morning before school to monitor make-up exams. "Mrs. Doherty is awesome!" says a student. "She doesn't give up on us...she doesn't try to trick us...she really wants us to learn the stuff in her class." Beyond the classroom, Mrs. Doherty is a tireless volunteer in athletic, academic, and extracurricular activities at TCH. Recently at the State Beta Convention, Mrs. Doherty served as one of the coordinators of the current events competition. She also served as chairperson of the Beliefs and Mission SACS Committee for the renewal of certification for Teurlings Catholic High School. Mrs. Doherty was a finalist for the Lafayette Education Foundation Teacher Awards in 2004. "To quote one of Teurlings Catholic's stated beliefs," Mrs. Doherty says, "Catholic education should be focused on promoting student learning religious formation and personal growth. As an educator in a Catholic school, I believe it is my job to provide an educational and spiritual environment where all individuals can grow in their knowledge of the Lord, witness His love, and thus teach, by example, His ways." She holds degrees from LSU and Newcombe College and graduated from Loyola Law School. Mrs. Doherty has been active in Lafayette business and political communities. She is married to TCH Coach Mike Doherty.

Neal & Donna Olivier and Ronnie & Tara Callais Outstanding Supporters of the Year

Neal and Donna Olivier are both graduates of TCH. As a couple, they have chaired the football meals for players and served on the Rebel Open Golf committee of

the TCH Foundation for the past several years. Donna has been treasurer of TASC for the past 5 years, a member of RABC hospitality and faculty recognition committees, and has chaired the decorating committee for the school's annual \$10,000 raffle and dance. Donna and Neal have served as Ministers of Welcome and Eucharistic Ministers at St. Elizabeth Seton for numerous years. Donna also worked as the Co-chair of Challenge in 2000 to help the church raise money for down payment of the new church facility. "We both come from strong Catholic families and have tried to raise our family with the same commitment and dedication that our parents raised us by.....A Catholic school education combines a wholesome and family atmosphere with the discipline and preparation to become a great father, mother, friend, and successful adult in any avenue that the future offers." Donna and Neal are the parents of Jacob (senior) and Tiffany (2000) Olivier. They are also the proud grandparents of beautiful granddaughters, five-year old Julia and one month old Olivia.

Ronnie and Tara Callais are also extremely active parents on the TCH campus. They serve together as the girls' basketball representatives on the Teurlings All

Sports Club (TASC) executive board. Tara has served on the faculty recognition, student incentive, and mail out committees of the Rebels Academic Backers Club (RABC) for several years, and has assisted with school registration and the swap shop. Last year, she single-handedly coordinated the monthly luncheons for teachers and gathered prizes and awards for recognition programs at the school. Ronnie has worked on the steering committee of the school's capital campaign and has been a major contributor to the completion of the boys and girls basketball locker rooms and coaching offices. They are the parents of Callie (senior), Sara (2006) who is currently a student at LSU, and son, Ryckman.

Senior Retreat ~ "At the Crossroads"

Once again, the senior retreat was held in Dry Creek, La at the Dry Creek Baptist Camp on January 14th – 15th. The setting was peaceful and serene, despite the cold and wet weather and the experience was unforgettable. The seniors braved the high ropes course, were challenged on the low ropes course, creatively wrote songs about themselves, discovered ways to use their gifts, and bonded with their classmates. Old friendships were cherished and new ones were made as the seniors shared a weekend together away from the business of school. Popular artist, Kelly Pease, was present on Sunday evening to share her angelic voice and set the tone for the seniors to read letters from their parents. The entire weekend was an opportunity for the seniors to become aware of God's presence in their lives and appreciate their blessings. *Special thanks to the teachers and parent chaperones who so willingly helped to make the retreat such a wonderful success.*

TCH Rally for LIFE

On January 22nd, the TCH family spent the afternoon rallying for life in the RebelDome at the same time people from all over the nation walked to the capital in D.C. to fight to overturn Roe v. Wade. Despite the threat of inclement weather, students and teachers from several Catholic schools gathered together to fight for the rights of the unborn. The afternoon was a humbling reminder that the life we have been blessed with is so precious. Chants were led by students to begin the rally followed by praise and worship songs. The rally continued with an address from Bishop Jarrell and Karol Meynard, Director of the Diocesan office of Pro-Life issues. Katie Rimmer, a student at Notre Dame High School and winner of the Pro-Life oratory contest, presented her moving speech about our rights as Americans and living beings. The rally was an awesome reminder that many people sharing a common belief do have a voice and can make a difference when we come together. *Thank you to everyone who attended and participated in the rally for life!*

"Start the NEW YEAR with Christ!"

Rebel Revival was held this month in the chapel to remind students that new year's resolutions and promises to yourself will reach a dead-end road without Christ as your guide. We invite everyone to attend out next Rebel Revival in the chapel on February 12th at 7:00pm. *Thank you to Jacob Olivier and Lori Leday for planning the evening and to Trey Patin for sharing his testimony.*

Catholic Schools Week

The theme for Catholic Schools Week this year is: "Catholic Schools. The Good News in Education," portraying the idea that we make Christ the center of our learning and all we do as a Catholic School.

Upcoming Events
