THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

FEBRUARY, 2010

From Our Principal...

The images shown on the TV screen and in print media of the devastation in Haiti are horrific. Hundreds of thousands are dead, injured, homeless, and orphaned. Teurlings Catholic has and will continue to aid those in need and we hope everyone will assist on a personal level as well. Memories of the kindness of many during the aftermath of Hurricanes Katrina and Rita are still vivid. Now it's our turn.

As a witness to the needless death of unborn infants, a group consisting of over forty students, teachers, parents, and one of our owner pastors represented Teurlings Catholic at the national Pro-Life March in Washington D.C. On campus we celebrated with a Pro-Life Liturgy, which served as a visible sign of our support. The response from the students is a positive reflection of the spiritual formation at home and school.

We celebrate Catholic Schools Week with the theme, "Dividends for Life" as February begins. Catholic Education is a way to pass on faith to our children and is also a vehicle for evangelization. It is our mission to insure our graduates possess the skills to receive the dividends of a Catholic education for a lifetime.

In February we celebrate Mardi Gras. As we all know, Mardi Gras marks the final day before the fast of Lent. Mardi Gras is the season of carnivals, parades, alcohol consumption, and overindulgence. Over the past few years, several area high school students have died in vehicular accidents as the result of alcohol during Mardi Gras celebrations. Lent, a forty-day period of self-denial and abstinence, is the season that prepares us for the Easter season, when Jesus died for our sins, was buried, and rose from the dead. I encourage you to put this event in proper perspective for your children and to teach them what the season of Lent is about. The response from the students is in direct proportion to the spiritual and behavioral formation at home and school.

Fruit, the seed-bearing part of any plant. Children, the seed-bearing part of mankind. It is all of our responsibility to prepare children to protect and to bear their own fruit. Thank you for allowing us to assist you in this process. Teurlings Catholic is a place where faith and knowledge meet on a daily basis.

DISCIPLINE

Bruce Baudier - Assistant Principal

The information below indicates the 1st and 2nd Quarter differences in various student disciplinary violations/sanctions. The increase in many of the violations from the 1st to the 2nd quarter occurs as students 'get complacent' with school. The 1st quarter hair, sock, and belt violations for example – at the opening of school, everyone has taken the time to have their hair cut, correct shoes, and belts on pants. As the year unfolds, students get lackadaisical, complacent and let little things go by the wayside. In the position of Disciplinarian, I try to work with any student when extenuating circumstances allow. As I have told the students before "proper communications can go a long way in solving difficult situations." As parents, I am sure you understand and agree 'working with a situation' cannot be brought to the level of allowing repeated violations to continue.

Many of these violations can be eliminated through parents making students aware of their responsibilities related to haircuts, uniform regulations, tardies, etc. You can keep up with and monitor your student's behavior record on RenWeb (discipline tab). Please contact me if needed at 235.5711, ext. 102.

TCH Discipline Violations/Sanctions Summary -- 1st Quarter/2nd Quarter

Hoodies.....

I would like to reiterate to parents and students that sweatshirts (pullover or zip-up) with hoods **are not** allowed at anytime during the school day. Jean days, free dress, sweat days, etc. – all are without hooded sweatshirts.

In classrooms, library, and gym for mass – the only outerwear is the TCH sweatshirt which is sold through the TCH student council. Heavy coats are to be used outside, but once inside the student council sweatshirt is the only one accepted.

"But a friend sent me a text saying....."

This response is heard often when a student erroneously wears a 'jean day attire' when a 'jean day' has not been administratively assigned or if a student does not come to school based on the above statement from a friend saying 'no school tomorrow.'

Please have your student go to a reliable source of information; TCH website (announcements), RenWeb, or monthly newsletter to confirm the 'friendly text.'

ACADEMICS

Marty Heintz - Assistant Principal

We will be in the midst of scheduling for the 2010-2011 school year in a little over a month. We are finishing our second year in the dual enrollment project. All of us – administration, teachers, students, and parents -- have learned much in the two years we have offered dual enrollment classes. The program has definitely required an adjustment in expectations for many students and parents when it comes to grades. After all, a sixteen-year-old high school junior is doing well to earn a “B” in a college-level English or history class. Workload-wise, it was hard at first for some students to find the balance with an English paper due each week or a four-chapter history test looming on the horizon when there was also a grueling sports practice schedule and a bunch of other extracurricular activities to deal with, not to mention five other courses that required attention. The program has some great benefits for our students but does require a major commitment and reasonable expectations. No, not every student ends up with an “A” in the courses – but those college credits, even when they are attached to a “B”, are a valuable commodity at an average cost of \$35-\$40 a credit hour on the Teurlings campus. Tuition for a full-time student carrying 15 hours at UL this spring is \$2,010.85, according to figures posted on the UL website (<http://bursar.louisiana.edu/>). As I have said many times, our goal is not to replace a student’s freshman year on the college campus, but to provide a cushion that will allow a student to drop a class if necessary, maybe avoid a summer

session, or to keep them on track to get that degree in the four years that TOPS will cover. We are evaluating our dual enrollment program and considering some additions in French and Physical Education, but more on that next month! If, however, you have any questions on our dual enrollment program, please email me (mheintz@tchs.net) and I will be happy to discuss the program and the requirements for individual courses with you.

Now, however, is the time to start discussing next year’s schedule with your student, regardless of what grade he or she will be in next year. A challenging high school curriculum is the best preparation your student has for college. Encourage your student to look seriously at our elective offerings and to schedule not the “easiest” choices but rather the courses that will best prepare him or her for

college and beyond. If your student qualifies for the honors program and is willing to do the extra work required, then encourage them. Challenging coursework in the core courses (math, science, English, and social studies) along with improved reading comprehension, are the best ways to prepare for the ACT test – and we all know that ACT score is a key component of qualifying for the TOPS program.

If you have any questions about class scheduling, I encourage you to contact our guidance counselors Anna Proctor (11-12th grade) and Milton Rohm (9-10th grade). They are truly experts at navigating what I like to call “the TOPS jungle” and can guide you in the right direction. They will begin meeting with students in February to discuss scheduling. Mrs. Proctor is also planning informational sessions in March for parents.

Letter received by Mr. Boyer 1/7/10

Dear Mr. Boyer;
Enclosed is a picture of some of your prize students volunteering for the Honoring our Elders this past fall. They are Drake and Mallory Kidder, Caroline Koch, Jesse Mouton, Candice Aucoin, Meghan Harrelson and Emma Castille (pictured below). These students have helped with our first Mardi Gras Ball last year and again in November. They are just awesome, helping with whatever is needed. I just had to let you know what good students you have at Teurlings.

Paulette Guthrie, Activities Coordinator/Interpreter for Village du Lac Apartments

Thanks to **Dona Dugas** for organizing the Pro-Life Trip to Washington, DC. A group of 16 students, a few faculty members, parents, and one of our pastors attended the March to the Capitol with thousands of other Pro-Lifers.

Thanks to the seniors for being so open and easy going!

Many thanks to all parent chaperones and faculty members who assisted in making the weekend a success!

Great job to **Chelsea Carroll** and **Cassie Meynard** who planned an inspiring Rebel Revival on January 13th! ✓ **Attention Seniors:** Remember to complete your FAFSA form online at www.fafsa.ed.gov. This is the TOPS application and also the application for receiving any kind of federal or state aid that you may qualify for. Only students who complete this FAFSA and meet the TOPS requirements will receive the award. The deadline to complete the FAFSA is July 1, 2010, however I encourage you to complete the form by the end of April. You will need to include your tax information even though TOPS has nothing to do with family income. If you have any questions, please feel free to call Anna Proctor at 337 235-5711 ext. 108.

✓ **Juniors** need to apply to take the ACT test in April if they have not already done so. There are only two left this year and I encourage each Junior to take the ACT at least two times prior to their senior year.

✓ Any **Sophomore** interested in taking the ACT can stop by the guidance office for details on how to apply.

✓ During February Mrs. Proctor will meet with all the **9th, 10th and 11th grade** students to distribute Honor's Applications for the 2010-2011 school year. Students' currently enrolled in an honors course may continue taking courses in that subject area if they are in good standing (a 1st Semester grade of an A, B, or C). Students who are not currently in honors and would like to apply must complete and turn in an application in to the Guidance Office by the deadline listed on the form.

✓ During March we will meet with all **9th – 12th grade** students to discuss their 2009-2010 class schedule. Those forms will be due back during March and must be signed by a parent.

TCH ADVISORY BOARD ELECTIONS – 2010-2011

The TCH Advisory Board serves in an advisory capacity to the Chancellor, responsible for presenting an annual operating budget and recommending board policies for the school. Parents elect at-Large Board Members, and the Priest from each TCH owner parish appoints a Member. Terms on the board require a three-year commitment.

This year **four vacancies** exist. **Two** are pastor appointed positions to represent the following church parishes: St. Bernard and St. Leo the Great (one year remainder of a three year term). **Two** are member at-large positions. All parents of TCH students may vote to elect the member at-large.

Nominees for the at-large positions should be parents of children currently enrolled at TCH or accepted for admission for the following school year and registered for the following school year. Nominees should be willing to make the necessary commitment of time to serve as an effective board member. The following individuals and their spouses are NOT eligible for board membership:

Employees of the school

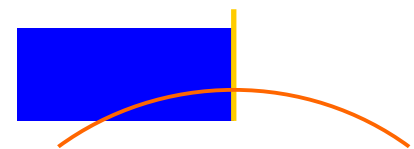

Employees of an owner parish

Persons who work at the school, but are paid for that work by another group, agency, individual, or school system.

Please submit a brief bio of yourself. Include the name of your spouse and children with your children's grade levels. Additional information to include: church parish, participation, community involvement, active interest in school activities and if you are a graduate of TCH. A statement regarding Catholic school experience would also be appreciated.

Please consider giving of yourself in service to the school as a advisory board member. **The deadline for candidate submission is March 15th.**

Send your information to the front office at school or fax it to 337-234-8057, ATTN: TCH Advisory Board.

The Art Club is selling note cards for \$10 a set as a fundraiser for teacher appreciation gifts. The cards feature an assortment of TCH student artwork on the front and are blank inside. These make unique gifts for Valentine's Day or for any occasion. To purchase, contact Ms. Ducharme in Room 15 at bducharme@tchs.net or 235-5711 Ext. 230.
