THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

J A N U A R Y , 2 0 0 5

From Our Principal .

The faith community of Teurlings Catholic continues to move forward as we carry out our mission: To develop leaders with Christian values through educational excellence. Now, more than ever, it is imperative that we build leaders for the future. We celebrate our students. They are what we are all about. They are the most important members of the Rebel family. They are the reason we are gathered here each day and many nights.

As we enter the season of giving thanks for what we have and celebrating the birth of our savior, we should all be thankful that we are blessed in so many ways. Many people in the world, even in our own community, are not as blessed as we are, and they need our help. To celebrate the season of advent and under the direction of our Campus Ministry team, we participated in a diocesan wide Adopt-a-Family program. Through the donations and gifts from our students and faculty, joy and happiness will be felt by many who are sad and unhappy.

Many thanks to each of you for sending your children to Teurlings Catholic. It is a sacrifice to meet the financial obligations, as well as to support activities throughout the year. With God's blessings, you manage to do just that. When parents are by their children's sides, experiencing life with their children, they realize the valuable education that is taking place at Teurlings Catholic. These experiences take place in the classroom, at school activities, in victory and defeat, and in the celebration of our Catholic faith guided by the best faculty in the area.

The fall season ignites a school year with enthusiasm and spirit and sets a wonderful tone for the rest of the year. The undefeated district champion Rebel football team represented Teurlings Catholic with determined play, dignity, and success as they advanced to the state quarterfinals. The district champion Lady Rebel volleyball team continued its winning ways and advanced to the state playoffs. The Rebel cross country teams finished in the top division of the state meet with Sheree Blanchard's fifth place finish, the highest ever for a Lady Rebel. The Rebel swimmers sent several swimmers to the state finals, highlighted by Chris Begnaud's state runner-up finish in the butterfly. Pep rallies were spirited, competitive, and well planned. The school masses have been extremely reverent, and the prayer services have been poignant. The classes experiencing retreats have returned to campus with a renewed sense of togetherness. The quiz bowl team qualified for the spring season. The dancers and cheerleaders have qualified for the national championships. Speech and debate participation is at an all-time high and the team has won several tournaments during the fall season. Highlighting the fall season was Sara Callais's fourth place debate finish at the national tournament held in Chicago. The boys and girls soccer teams are leading the district race, and the wrestlers have won several dual matches.

There are many ways to celebrate the Christmas season. At Teurlings Catholic, we sponsor activities which keep Christ in Christmas. On behalf of the faculty and staff, we wish you and yours a wonderful holiday season.

DISCIPLINE

Terri Baudier - Assistant Principal

Starting in January parents will have access to their child's conduct record through K-12 Planet. **Please make sure that you take advantage of this opportunity.** I do not call home every time a student is tardy or when they receive a uniform violation or detention. It will be very helpful for you to be able to check on their discipline status. Many students do not inform their parents when they get written up for minor violations. Here are some helpful tips:

* **Excessive Tardies** - This means that the student has gone over the limit (three) for the quarter. For tardies over the limit, I usually send home a paper to be signed and returned. If you haven't signed one, you may want to call me. We can tell you what classes, days, and times, your child was late.

* **Uniform Violations** - This means the student has served an after school or morning detention for a particular uniform violation. Three violations of the same nature result in a Saturday School.

* **Gum/Food/Drinks** - These violations result in a morning or after school detention. Three violations of the same nature result in a Saturday School.

* **Grooming** - This code is for an unshaven face, hair too long, or long sideburns. These violations result in a morning or afternoon detention. Three violations of the same nature result in a Saturday School.

* **Codes** - Every violation has a different code in our system. So if you are confused about an infraction, please call me to help clarify the meanings of these codes.

I am very excited that parents can now check on their children's grades and conduct records. So if your child has been telling you he/she has been going to early morning tutoring, or staying for tutoring, you may now realize that he/she may have had some detentions you didn't know about. All this is new to everyone, so please don't hesitate to call if you are not clear about an infraction.

©©© Thanks to all parent volunteers for their hard work and help for our home football games this season. It took the help of many volunteers for our playoff games to run the concessions, spirit booth, and ticket stand. Also, a special thanks to all the TASC Board members and faculty members for their hard work and time at every game. You are simply the BEST!!!

ACADEMICS

Marty Heintz - Assistant Principal

Just prior to the Christmas holidays we received the PLAN test scores (our standardized testing) for our 9th and 10th graders. Those scores will be included with the mid-term report card that parents will receive the second week in January.

PLAN gives us a report on the overall scores for the 10th grade, which I have charted below. Individual scores are also reported for both 9th and 10th graders. As you can see from the chart, our 10th graders scored well above the national average in all areas.

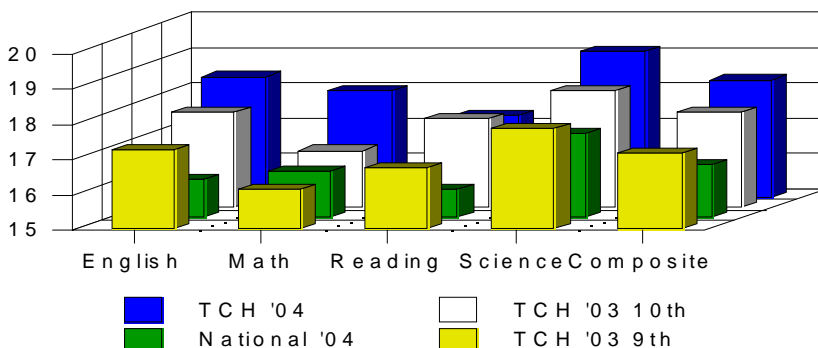

As a parent, I'm sure you want to know what your own child's individual scores tell you. If your student is a 10th grader, compare the 9th grade scores you received last year to this year's scores. Did your child's score improve? Most of our students' scores did improve. The score report also includes a predicted ACT test score range, based on the PLAN score, for your child. This is an important piece of information for you and your child. The highest TOPS awards go to students with a 27 or higher. Remember that in order to be eligible for the lowest TOPS award, your child must reach a certain level on the ACT. Currently that mark is a 21. If the prediction for your child is not in TOPS range, you and he/

she now know what academic areas need remediation. PLAN scores are used for placement into honors courses here at Teurlings and should also be used by the parent and student in planning next year's academic schedule request. Remember that in addition to an acceptable ACT score, TOPS awards are based on completion of mandated curriculum, as well as a GPA of 2.5 (3.5 for the highest award) or better in that mandated curriculum. Finally, the student interest survey included in the program can help you and your child look at future careers the student may want to explore, based on his/her interests.

As academic assistant principal, my job is to compare the current 10th grade scores with the scores of the same students in 9th grade, looking for improvement. The 9th grade scores reflect what students learned in their respective elementary schools. However, comparing the 9th grade test scores to the 10th grade scores, tells us if a student progresses here at Teurlings. You, the parent, can do the same with your child's scores, not only from 9th-10th grade, but also by comparing that PLAN test score from the 10th grade to the eventual ACT score.

TCH 10th Grade

2005-2006 APPLICATION AND ENROLLMENT PROCESS

APPLICATION

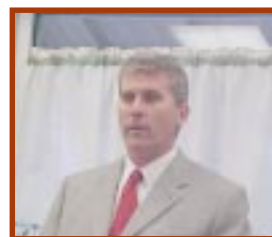

All 8th grade students are required to apply for admission next year. Applications will be sent home with 8th grade students at our feeder schools, on January 6th. Please return the completed application and required documents by January 31st. Failure to do so will result in the application being returned to you for completion, thereby delaying the admissions process. Siblings of students currently enrolled at TCH must follow these same procedures and comply with the deadlines. Failure to remit a first-priority application by the deadline will result in the student being placed with those on a waitlist. Due to the volume of applications, all deadlines will be strictly enforced. Letters of acceptance for registration will be mailed out by mid-February.

Enrollment packets for our current 9th, 10th and 11th grade students will be mailed the first week of February. While re-application is not required, the below registration dates do apply.

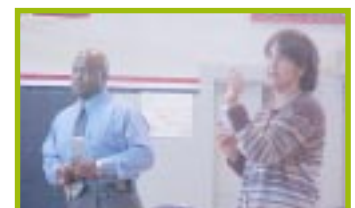

REGISTRATION

Registration will be held on March 2nd, 3rd, and 4th. It is mandatory that parents register their students within the specified dates to assure their enrollment status.

Guest Speakers

Keith Fontenot, Senior Vice President of Wachovia Securities spoke with Mrs. Champagne's Principals of Business Class.

SADD brought in Detective Alex Montgomery (Brianne 10th) & Asst. District Attorney Michelle Breaux to speak to the TCH student body about the effects of drug and alcohol abuse.
