THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

J A N U A R Y , 2 0 0 7

From Our Principal...

Advent, which comes from the Latin word for "arrival" or "coming," is a period of preparation for the birth of our Lord. Advent begins four Sundays before Christmas and is the start of the Christmas season, which lasts through the Baptism of our Lord. The first Sunday of Advent also marks the beginning of the liturgical year, the Church's "New Year's Day," at which time we change the cycle of readings we are using at Mass.

The Advent season is time to give thanks for what we have and prepare to celebrate the birth of our Savior. We should all be thankful that we are blessed in so many ways. Each of us should take time to reflect on the birth of the Christ Child and what impact this event has had on the history of the world, our country, your family, and you.

Teurlings Catholic has so much for which to be thankful. We have received so many gifts this school year: the gift of sending us your children and the gifts that your children bring to us; the gift of a dedicated and motivated faculty and staff; the gift of great coaches and club moderators; the gift of a loyal alumni and tremendous community support for our mission and their participation in advancing our physical facility; the gift of parents who volunteer much time as substitutes, assist in many of our activities, and serve on various support boards.

In an effort to continue our mission into the future, 8th Grade Day and Open House were held in November on the TCH campus. We experienced a record number of participants and anticipate a high volume of applications for the 2007-2008 school year. The following is an excerpt from an e-mail we received from TCH parent Chris Tanner concerning the Open House.

"I thought I'd share some comments I heard about the Open House. Our son plays travel Hockey (we are headed to Oklahoma City this weekend) and all the kids on Zach's team are the same age (7th grade). So there's been a lot of talk lately about where they will go to high school. I discovered about 4 or 5 players are planning on attending TCH. One of the players has a sister who is planning to go to TCH next year. She and her family attended both open houses (daytime and nighttime).

The moms who attended told me they were so impressed with the open house. They thought the school looked like a fantastic place to go and they said they felt so welcome. The students impressed them, as did the atmosphere at the campus.

It amazed me to see how excited these people were about TCH. They were really "pumped". Obviously, y'all made a great impression. I talked to her friend also and she wanted very badly to be part of TCH also. Although I knew that I was quite happy with TCH for my children, it is quite a feat to instill that desire in someone who has seen the school just one time. Well, you really got the message across to those people."

We would like to thank everyone who has given so much of themselves to make Teurlings Catholic the school that it is. The heart and soul of our school is in direct proportion to that of our students, parents, and grandparents. We are so blessed!

DISCIPLINE

Terri Baudier - Assistant Principal

"THERE IS NOT ENOUGH TIME TO GET TO CLASS"

That is the excuse I hear students telling their parents when they receive a tardy. If you stop and visit with friends or go to your locker every class, that statement could be true. Otherwise, there is plenty of time to get across campus in the five minutes we allow. Students should go to their locker 3 times a day: before school, during break, and during lunch. These times allow for the gathering of books without being late for a class. Actually, I sat with the calculator and these are the stats that I came up with on November 30th:

- Only 8% of the student body has received a consequence for being tardy (which means 4 tardies or more) since the beginning of school.
- Most students who are tardy are repeat offenders every quarter.
- 61% of TCH students have never been tardy or have been tardy only once since the start of school.
- The breakdown by grade level for tardies since August is as follows:

| | |
|-------------|-------------|
| Seniors: | 24 students |
| Juniors: | 13 students |
| Sophomores: | 12 students |
| Freshman: | 3 students |

(*Note: A tardy is recorded when a student is late to school or late to class.)

Please help your child understand the importance of being on time! As always, if you have any questions or concerns, just give me a call (ext. 102).

PARKING

We did have a few spots open up, but those were taken by the students who were on a waiting list. If your child wants to drive to school, he/she must be on the waiting list. Just have the student come by my office or the front office and sign up. I have already announced this several times.

SEASON'S GREETINGS

I would like to take this time to wish everyone in our Teurlings Family a very safe and happy holiday season. Please count your blessings; I know I will. I am very thankful to work at a school with very respectful young men and women, caring and hardworking teachers and counselors, and parents who are always willing to lend a helping hand. There is no place I would rather be than here with my TCH family! Here's to another great year in 2007!

PLEASE NOTE THE FOLLOWING!

New Checkout Rule: Starting January 8, 2007, no student will be allowed to checkout and return to school the same day without a doctor's excuse.

Reminder to all parents: We have many parents not calling in the morning when their child is going to be absent or checking in late due to an appointment. Remember it is the parent's responsibility to call the front office before 8:30 a.m. each day your child is not going to be on campus at the start of the day. Please refer to page 61 of your parent/student handbook.

ACADEMICS

Marty Heintz - Assistant Principal

HALF OVER OR A SEMESTER TO IMPROVE

With the end of the holiday season comes the end of the first semester. Report cards will be issued on Jan. 12, marking the halfway point of the 2006-2007 school year. Every year, I make the same distinction in my January column – you can choose to see the year as half over or see that half the school year is still ahead. Your point of view depends on how the first half the year has gone for your student. If your son or daughter is in countdown mode (can tell you exactly how many days are left to graduation or exams), then obviously the school year is half over. If your son or daughter did not do their best in the first semester, then hopefully he or she will be able to see that half the year is left, providing enough time to improve grades and end the year on a high note.

And, that's my advice to you, as parents: look at the fact that half the school year still remains. Remind your student of that fact. If the grades were not that great in the first half of the school year, there's time to fix the situation. The flip side is also true and students need to be reminded that a good semester can be wiped out by not putting forth much effort in the second semester. Students need to work the entire school year to be successful. Simple, but true.

RESEARCH PAPERS AND GRADES

If your student is a junior or senior, then the semester grade in English and Social Studies partially reflects how he or she did on the annual research paper. Students who did not use the correct MLA form (they are taught

this in 9th grade and it is reviewed annually in English classes) received substantial deductions when the paper was graded. MLA form is the standard form used for research papers in college English classes. In MLA form, students must cite exactly where the information used to write the paper was obtained. Any and all quotes must be documented.

The paper must be in the student's own words, with the exception of an occasional direct quote. Truthfully, it is very easy for any teacher to determine if the student wrote a paper or if it was downloaded from the Internet or if substantial portions of the paper were copied and not cited. The term for this (and your students are very familiar with the term) is plagiarism. All of our English and social studies teachers have warned their students that plagiarism results in a grade of "0" on the research paper. Considering that the paper is worth 150-200 points in both the English and social studies classes, a "0" for plagiarism is serious and jeopardizes the quarter and semester grade.

Finally, students are given ample time to complete the paper. Our teachers bring the students to the library to conduct both hard copy (book) and Internet research. This is done several weeks prior to the due date of the paper. There is no excuse for waiting until the night before the paper is due to write the paper, and a low grade on the paper generally reflects the student's lack of planning and a last-minute attempt to finish.

Our 9th and 10th graders will be completing their research papers during the third quarter.

2007-2008 APPLICATION & ENROLLMENT PROCESS

APPLICATION

All 8th grade students are required to apply for admission next year. Applications will be sent home with 8th grade students at our feeder schools on January 8th. Please return the completed application and required documents by January 31st. Failure to do so will result in the application being returned to you for completion, thereby delaying the admissions process. Siblings of students currently enrolled at TCH must follow these same procedures and comply with the deadlines. Failure to remit a first-priority application by the deadline will result in the student being placed with those on a waitlist. Due to the volume of applications, all deadlines will be strictly enforced. Letters of acceptance for registration will be mailed out by mid-February.

Enrollment packets for our current 9th, 10th and 11th grade students will be mailed the first week of February. While re-application is not required, the below registration dates do apply.

REGISTRATION

Registration will be held on March 7th, 8th, and 9th. It is mandatory that parents register their students within the specified dates to assure their enrollment status.

Look what your student is up to...

After completing a lesson on clip art, students in **Cheryl Champagne's** Business Computer classes created life quilts. The top row of the quilt represented the past, the middle represented the present, and the bottom represented the future of each student's quilt.

Becky Ducharme's art classes created their own "Pop Art." Inspired by artist Claus Oldenburg, students designed and created paper mache sculptures of their own original shoe designs.

As a lesson in African Art History, students in **Becky Ducharme's** Art II & III classes visited with Ashleigh D'Aunoy, a Bright New Worlds and PACE artist from the Acadiana Arts Council.

More Of YOU...Less Of Me

Campus Ministry

In Your Face

A group of seniors attended the "In Your Face" Youth Conference in Alexandria, La. on December 2nd. The day was filled with prayer, reflection, and praise & worship. Several people shared their testimonies and faith journeys with the youth. The day was a wonderful way to begin the season of Advent.

The Season of Advent

As we prepare for the coming of Jesus Christ, we take time each week to reflect on our own spiritual journey through morning prayer and by lighting candles on the Advent wreaths in class. This Advent season we ask Jesus to strengthen us to be people of compassion, forgiveness, and love.

Christmas "Child Smile" Project

Throughout the month of December, students donated shoeboxes, toys, school supplies, and other small gifts for a very worthy cause! This year, we participated in the Christmas Child Smile Project sponsored by the Diocese of Lafayette. Shoeboxes were wrapped and filled with toys and treats to be delivered to children whose parents are incarcerated as well as victims of the recent hurricanes. The Campus Ministry Club organized and delivered boxes on December 18th. Thanks to everyone who participated.

"Is HE in You?" ~ Sophomore Retreat

December 6th was a day to be remembered by the Sophomore Class. The Retreat Ministry Team held a retreat filled with inspirational talks, small group activities, and games to bring the class together. The theme, "Is He in You?" was intended to make everyone stop and think about if and how he or she brings Jesus into their lives. Faith can play such a big role in our everyday choices and decisions if we allow Jesus into our hearts. Special thanks to **Nicole Ducharme** and **Trey Patin** for planning the retreat and all the Retreat Ministry leaders for their leadership.

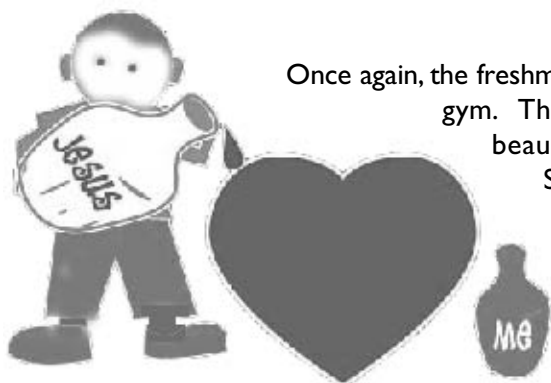

Rebel Revival: "Get Wrapped Up in God's 'Presents'"

The chapel was the setting for our Rebel Revival on December 12th! The theme, "Wrapped Up in God's 'Presents'" was meant to remind us of the true meaning of Christmas in all the hustle and bustle. We spent an hour in God's presence, praying, reflecting on our own lives, singing, listening to a senior testimony, and joining in fellowship with one another. Thanks to **Heather Andrew** and **Madison Montelero** for planning the peaceful evening.

Live Nativity

Once again, the freshman class portrayed the Live Nativity in the gym. The music ministry participated by singing beautiful Christmas songs to set the tone.

Special thanks to **Mrs. Adrienne Brame** and the **freshman class** for an outstanding performance. **See page 9 for pictures!**

Capital Campaign Update

The year 2006 has been a busy one for the Capital Campaign of Teurlings Catholic High School. We have seen our share of bulldozers, excavators, concrete trucks and hard hats around the campus this year. However, today, if you take a walk around the campus you will likely see the following:

- Students learning, teachers teaching and all enjoying their new classrooms;
- Rebel athletes getting better, stronger, and faster in the new weight room;
- The boys and girls basketball players and coaches settling into their new offices and locker rooms;
- The TCH Administration being humbly grateful for the continued generosity of Rebel Alumni, Parents, Grandparents and Friends.

Each one of you, who has so generously donated to our capital campaign, can take satisfaction in knowing that your gifts are having a direct and positive impact on TCH today and for many years to come.

Construction on the Athletic Complex continues. The football locker room, training room and showers will be completed in the first part of 2007. However, we are still in need of approximately \$80,000 to finish the building. So as you think about your year-end giving, please prayerfully consider a generous gift to advance the **TCHS** mission **To Channel His Spirit** in the lives of our students.

We would like to extend an invitation to all TCH Parents, Grandparents, Alumni, and friends to come by and see our progress. We couldn't have done it without your support!

District Champs! Rebel Boys Cross Country Team

"ADOPT-A-LOCKER" PROGRAM CONTINUES in 2007

Thank you to all Rebel Alumni, Parents, and Fans who have already donated \$100.00 to reserve the locker (jersey) number of their choice in honor of a current or former Rebel football player. For those of you who have not yet adopted a locker, we hope you will consider doing so to help build upon the TCHS legacy.

With a \$100 donation, a plaque with the name, position, jersey number, and seasons played will be mounted on a Football locker. Every current and future TCHS player that wears a Rebel jersey will know the history and tradition of the number. REBEL fans and alumni will also have the opportunity to participate in the program with a plaque mounted on the respective locker. Contact Angela Delhomme, Capital Campaign Director at adelhomme@tchs.net to reserve your jersey number. Thank you for your support and REBEL Pride!
