### SUMMER READING 2004

All students at Teurlings are required to read novels for their English classes during the summer. Regular level students are required to read one book while students in honors classes must read two. Students who have scheduled Psychology or Honors/AP American or World History classes should also check the specific requirements listed with the summer reading list (see page 10 of this issue of *Rebelation*) for those classes.

Students who register prior to Monday, August 4 are required to read the book and take the test during the summer or in their English class during the week of August 25 - 29. New students who register after Monday, August 4 will be allowed an additional week to meet the requirements.

## DISCIPLINE

### Thanks to T.A.S.C.!

I would like to thank everyone who joined the Teurlings All Sports Club and those who bought sport passes for the past school year. The T.A.S.C. Executive Board and Reps helped raise over \$50,000.00 that goes toward the school's athletic department. Without the efforts of this group, many of the items we have in the athletic department would not be possible.

Special thanks to **Craig Falgout (Trey 12th)** and **Tommy Millet (Ryan 12th)** for their years of service and dedication to the club. We wish both of them and their sons the best of luck in the future!

All members of T.A.S.C. were invited to the Spring Crawfish Boil Social on May 13, in the TCH cafeteria. Many members, sport representatives, and coaches in attendance ate a lot of crawfish and had a great time.

**Lisa Hebert, Tammy Mosely, Margie Latiolais, and Cindy Cobb** having a great time!

**Jimbo Hebert** and President **Darrell Cobb** at the social.

TCH teacher **Linda Doherty** and husband Coach **Mike Doherty** visiting with **Nancy Songy** and **Ouida Foryth**.

### Attention All Athletes: Summer Lift a thon!

The coaching staff would like to see some improvements made to our athletic weight room during the next school year. Several weights and machines need to be repaired or replaced to benefit our athletes. The weight room is used by all sports during the school year and during the summer by both the female and male athletes. On August 14th the athletic department will hold its Annual Lift-a-Thon. All athletes at TCH are asked to raise at least fifty dollars to go towards the weight room. Also, all athletes are invited to attend and lift at this event, however, it is not mandatory. Every athlete will receive a form and instructions in the mail by the end of July. We appreciate your support!

Assistant Principal

## A C A D E M I C S

### SUMMER. A magical word – and time – for most students!

Students **SHOULD** enjoy their summer vacation. Summer is a time to refresh, restore the mind, body, and spirit, and just enjoy life. However, there are limits to any parent's ideas of their child's summer freedom. When you are setting the limits for this summer, try to encourage your child to read, watch the news, and keep their brain functioning over the vacation. If possible, set aside a regular period each day when you expect your son or daughter to read. After all, those summer required reading novels won't get done any other way!

### SUMMER READING TESTING

Speaking of summer reading, we are again this year offering students the opportunity to take their tests during vacation. This will allow students to take an additional test for extra credit when school begins, as well as letting them take the test while the novel is still fresh in their memory. Testing will be held on June 23, July 21 and Aug. 4, beginning at 9 a.m. in the school library. Students who want to take advantage of the summer testing should bring a sharpened pencil with them and report to the library before 9 a.m. The tests include mix of matching, multiple choice, and true/false items. More information on the tests can be obtained by checking the Teurlings website at [www.tchs.net](http://www.tchs.net). A study guide can be found on the website, as well as a complete listing of the books. All books on the list are available at *And Books Too*, the public library, and other bookstores in town.

### SCHEDULES

Schedules will be mailed out to students at the end of June. If you do not receive a schedule by July 19, please call the front office. Schedules will not be changed once school starts and there must be a good reason for any schedule change. Schedules will **NOT** be changed because students want a different teacher. Also, be aware that in many cases, especially for sophomores, a student's choice of elective class was filled and the second or third choice elective had to be scheduled. In scheduling, seniors are given first priority in elective classes, then juniors, then sophomores. As there were many more requests for Spanish than we could handle, the juniors were given first priority, then names of sophomores requesting Spanish I were drawn from a hat (literally!) for the remaining spots in the Spanish I classes. Many sophomores who requested Spanish I could not be accommodated in the course and adjustments had to be made in those student schedules. If the student requested French I as an alternate choice, the student was placed in French. Please do not ask to be moved to Spanish I, as there is no room. However, any student who was **NOT** placed in French I who would like to be in the course, may request that we consider a schedule change. Details will be included with the schedule mailed to the student.

### TOPS REQUIREMENTS

Students interested in qualifying for a TOPS Award should note that the requirements have changed slightly. Beginning with this year's sophomore class, students must complete 1 ½ credits in computer-related courses to qualify for the award.

*Letter received 4/7/04*

Dear Mr. Boyer,

On Monday, April 5, 2004 Ms. Tiffany Dugas and her students came to The Learning Express to help us with the Trike-A-Thon we held for St. Jude Children's Research Hospital. We would like to express our sincere thanks to you for allowing them to attend this exciting event. Your students were so helpful and we honestly do not know how we would have gotten through the morning without their help. They were extremely well behaved and we really enjoyed having them there. We were able to raise over \$5000.00 for St. Jude's and your students helped us to make this a very successful event.

Tiffany is doing such a wonderful job with these young adults. Her program is so meaningful and she is doing a great service for her school and the community. We are looking forward to working with Tiffany and her students in the future.

Sincerely,

Dale and Bernadette Roberts

Owners/Directors of The Learning Express
