THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

M A Y , 2 0 0 9

From Our Principal...

If you *Google* the words "My Space" on your computer or Blackberry, you will find the listing "MySpace: A place for friends." If you *Google* "Teurlings Catholic," on the computer, the first listing will say "There is a captivating energy and spirit at Teurlings Catholic High School." I hope all of you were looking for that type of space for your children.

Our students have excelled on the national, state, parish, and district stages. To date, 65% of our senior class is TOPS qualified and 25% have scored 25 or better on the ACT. The sophomore class has once again exceeded the national average in the PLAN standardized test. We set an all-time high of twenty District Literary Rally Champions and are sending our largest contingent ever to the state rally.

What has happened in this space that we call Teurlings Catholic? During the 2008-2009 school term our students accomplished the following on national, state, and local scales: National Beta Club Scholarship Winner, National 5th Hip Hop and Semifinalist in Jazz Dance, Divisional 6th Cheerleading, State Champion Sons of American Revolution Oratory Contest, 3 Composite (4.0 GPA) Academic All State Basketball Players, State Math Teacher of the Year Finalist, State Honor Chorus finalist, 4 State 4-H Champions, State Boys Soccer Champions, State Hip Hop Dance Champions, 4 State Wrestling Champions, State Indoor Shot Put Champion, State Runners-up Girls Soccer, State 2nd Beta Club Chant and Banner Contest, State 3rd Wrestling Team, State 3rd Beta Club Craft Contest, Undefeated District Champions in Boys Bowling, Girls Soccer, Boys Soccer, Softball, Girls Basketball and Baseball, District Champion in Girls Cross Country, District Runners-up Boys Cross Country.

Our senior class sponsored our Pro-Life Rosary, Right to Life March, and the Holy Thursday Passion Play. Our student council brought candy, prizes, and the Easter bunny to the campuses of St. Genevieve and Holy Family Elementary schools. Our students led retreats at all of our feeder schools, sponsored "TCH Feeds the Hungry" in our cafeteria on Thanksgiving Day serving over 400 meals, participated in blood drives, coat drives, raised money for the "O" network and the Miles Perret Center. The Key Club sponsored its annual Halloween Fest to a record crowd. Students and teachers donated money for numerous area charities. Classes visited the local nursing homes and brought energy to those who have aged beyond their ability to care for themselves.

As we enter into the final month of the school term, many opportunities remain to create memories that will last a lifetime. Here are a few: Senior Exams, May 4-8; Class of 2010 Prayer Service, May 14; Junior Commissioning Mass, May 15 at 7:00 p.m. in the Rebel Dome; Honors Convocation, May 17 at 3:00 p.m. in the Rebel Dome, Baccalaureate Mass and Graduation at the Heymann Center, May 18; Ascension of the Lord Liturgy, May 21; and the underclassmen examination schedule May 25-28.

I think the balance of spirituality and ministry to others, academic success on an exemplary level, and outstanding participation in extra-curricular activities has elevated our senior class to the position of school leaders. We are proud of our seniors.

What a space our faculty and staff have created at 139 Teurlings Drive. A space filled with the energy and talents of your children. I feel like it is My Space. I hope you do also.

Exam Study Tips

Here's my top 10 list of advice to prepare for exams. Relay the information to your student:

1. Organize notes. Make sure notes are legible and complete.
2. Keep a file of old tests if the teacher gives them back and correct anything missed. Nothing beats old corrected tests as a study guide for comprehensive exams.
3. Know what the exam will cover. Don't just guess – ask the teacher what chapters will be on the test.
4. Start studying or reviewing early. If you spend 20 minutes a day, just going over or re-reading notes, you will know (or remember) the material and will not have to cram at the end.
5. Compare notes with another student's – just make sure the student takes good notes so any holes can be filled in.
6. Go over the chapter reviews in the textbook, as well as the chapter summaries. The most important information is listed there.
7. Do the guide yourself, if your teacher provides one. You remember what you have to look up yourself much better than copying someone else's work.
8. Organize a study session with some serious friends – just make sure everyone is there to study, not socialize.
9. Create some electronic flashcards on the computer. Use PowerPoint and create a slide for each vocabulary word. You get the benefit of looking up and typing each word and definition as well as being able to review the material on the computer screen.

Most important – take exams seriously. Do not blow them off or wait until the last minute to study. Exams are worth 20 percent of the semester grade or 1/5 of your year grade in a class. A "B" student who makes an "F" on the exam will end up with a "C" for the year and a "D" student who gets an "A" could get the "C"!

SUMMER READING LIST

All Teurlings Catholic students are required to read at least one novel during the summer. An objective test is given on the novel and the grade is included as part of the first quarter grade. In addition, the first writing assignment in each English class is a diagnostic essay based on the summer reading novels. Students have the option of taking the test(s) during the first week of school or on one of the scheduled test dates during the summer. Students in the Honors English classes are required to read the honors selection as well as one of the regular novels for the appropriate grade level. All students are encouraged to read an additional novel for extra credit. This is the only approved extra credit assignment allowed at Teurlings.

Summer Testing Dates:

GRADUATION 2009

Seniors and Parents

Graduation will be here before we know it! So that you may begin preparations for the “Big Events,” please note the requirements to be met by each student in order to graduate and the dates and times for senior and graduation events.

Graduation Requirements

- ◆ All debts to Teurlings Catholic High School, including tuition and fees for lost textbooks, library fines, and balances with the cafeteria, must be cleared before a senior will be allowed to take his/her exams, which begin on May 4, 2009.
- ◆ In order to receive a Teurlings Catholic High School diploma, a student must pass a total of 26 units including all state-required courses. A student who fails to qualify under this standard may participate in graduation exercises if, and only if, he/she passed a total of 23 units, including all state-required courses and Theology IV. Such students will not receive a TCH diploma, but a diocesan diploma.
- ◆ Any senior student who receives a grade of “Incomplete” in Theology IV or fails Theology IV for the year shall not be granted a TCH diploma and shall not participate in graduation ceremonies.
- ◆ Please refer to the TCH Student-Parent Handbook for clarification of the aforementioned requirements and policies.
- ◆ Any student who is determined by the sponsors, faculty, or administration to be under the influence of alcohol or any otherwise inappropriate substance during any school-sponsored event will not be allowed to graduate on stage or to participate in any other graduation event. Such students will also be subject to disciplinary action.

Dates and Times of Events

The Rebel Open golf tournament brings focus to the efforts of the Teurlings Catholic High School Foundation. The primary purpose of the foundation is to assure the longevity of Catholic education at Teurlings Catholic High School by establishing an endowment trust fund. The interest from the fund will be made available to the school to handle pressing needs as diverse as providing tuition assistance for needy students, supplementing faculty salaries, or making physical improvements to our campus. We have committed ourselves to building a successful and vital Foundation and appreciate all who have become involved in the effort.
