THE OFFICIAL NEWSLETTER FOR PARENTS OF  
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

## O C T O B E R , 2 0 0 6

### From Our Principal...

*Communication* is defined as “A giving or exchanging of information, messages, etc.” We received the following E-mail from a TCH parent and thought it was worth sharing. The message is not just about the school, but the job that the school and the family is doing to instill Christian, moral values in our students.

“I had to email you and tell you how impressed I was with your football players, coaches, cheerleaders and student body on Friday (when Austin Proctor got hurt). I know you saw them—first the football team then the others—gather together and pray as a group! It was so incredible and moving to me as an adult and parent to see your students take control in a positive way. I noticed that no adult told them to do it either! You should be so proud of them for doing the right, mature thing when feeling like they were in a crisis!”

This publication is one of the many tools which we use to communicate to our school community important dates, thoughts, and expectations. On October 16, we will hold our annual Parent-Teacher Conference day. Students will not attend classes that day. All teachers will be in their classrooms to distribute report cards and meet with parents to discuss the first quarter grades of our students. This is a great opportunity for parents and teachers to communicate with each other and structure a format for success for each and every student.

TCH Rebels from the past fifty-years will gather together this month as we celebrate Homecoming 2006 on Friday, October 13. We have changed the activity schedule so that all of our celebration will take place that day. Our Homecoming liturgy will take place at 8:36 a.m. We will have a combined lunch with the students being treated to bar-b-que hamburgers. We will end the school day in the Rebel Dome with a pep rally. All alumni are invited to a social before the game at Clark Field. I hope that you will personally witness the enthusiasm and energy that a homecoming brings to a school community.

As a school, we work very hard to recognize and communicate the many wonderful and exciting achievements of our students as witnessed during our recent Fall Awards ceremony. We have had an exciting start to the school year. The excitement that the new classroom building has brought to our students and teachers is tremendous. The atmosphere at our weekly liturgical celebrations and prayer services has been the best I have ever seen. There is a relationship between what you try to communicate and teach and how students act and react when you least expect it. TCH attempts to do its part, but, it takes family to achieve what was witnessed at Clark Field.

#### IMPORTANT HOMECOMING DRESS INFORMATION!

IF YOUR DAUGHTER IS GOING TO THE HOMECOMING DANCE OR YOUR SON IS BRINGING A DATE, PLEASE READ THE FOLLOWING CAREFULLY:

In the past female students have been pretty good about watching what they wear to prom and homecoming. Last year's prom was very disappointing. Many girls had to be stopped at the door for their dresses being too low cut. So I am letting parents know now that if a dress is not moderately cut, the student will not be let in. Plunging necklines or deep "V" cuts in the front of a dress have no place at a Catholic high school dance. It is very embarrassing to have a young lady

come to the door with a top that is not appropriate. If a dress is lower than the waist in the back or shorter than four inches from the knee, they will not be let in. We do allow strapless dresses as long as the top is high enough to cover appropriately.

If a boy invites a girl from another school, it is his responsibility to relay this information to the girl. Our dress code is in the parent/student handbook. Please make sure you monitor what your child buys and wears to the dance. In order to be consistent, it is our decision on what is appropriate, not the opinion of 678 parents. Please call me with any questions or concerns.

***My motto: "If you have to question it, don't wear it."***

#### DANCE ATTIRE GUIDELINES

##### A. TOPS

1. The neckline of a dress, top, or gown must be cut in a modest way. If ANY cleavage is showing, the student will be asked to leave the dance. Spaghetti straps or strapless dresses are allowed, as long as they are not low cut.
2. The cut of a dress in the back must not be below the waistline.

##### B. LENGTH

1. A skirt or dress must be no shorter than four (4) inches from the knee.
2. Slits in a long dress/skirt may be no higher than the knee. Slits in a short dress/skirt may be no higher than four (4) inches from the knee.

##### C. MISCELLANEOUS

1. No midriff is allowed to show, (when arms are raised only one (1) inch of the midriff can show.)
2. No navel is allowed to show.
3. The bodice of the dress must not have any fabric cutouts (this includes openings covered with net-like fabric).

ADDITIONAL NOTES: Admittance to the dance, with consideration of attire, will be left to the discretion of the faculty/administration sponsors who are present that evening. If a student is in doubt as to the expected modesty of his or her chosen attire, he or she should consult with administration before the dance to avoid the embarrassment of being turned away.

## ACADEMICS

**Marty Heintz - Assistant Principal**

### Progress Reports

Progress reports were issued on Sept. 13. *Every* student received one. Report cards will be issued to parents on parent-teacher conference day, Monday, Oct. 16.

Progress reports are just that – reports on student progress. By the time you receive the progress report, the grade has already changed. K-12 Planet will give you a more up-to-date idea of your student's grades.

If the progress report was not what you expect from your student, remember that time remains before the first quarter report card is issued. That gives any student who is willing to put in the effort the time to "fix" a low grade. The comment on the progress report generally lets you know what if there is a problem in the class and what it is (ex. "needs to complete assignments"). If you are concerned about your student's grades, contact the teacher either by email or phone. Before you panic, check K-12 Planet to see if the grade has changed for the better. For many students, just seeing a low grade on the progress report kicks the student's attitude into high gear.

A quick word to freshman parents: for some students, depending on the elementary attended, it takes a few weeks to adjust to high school. It is possible that your student now realizes that homework does count and must be turned in, that tests are harder and one must study, and that the workload is considerably more than in elementary school. Most freshmen *do* learn to balance the increasing workload with the additional freedom that high school brings. For some it just takes longer than others. If you are concerned about your student's adjustment, please call Coach Milton Rohm, our 9<sup>th</sup>-10<sup>th</sup> grade guidance counselor.

### 140-plus make-ups in two weeks!

#### Important changes to the make-up test policy

Mrs. Linda Doherty gave over 140 make-up tests during the first two weeks of school. As a result, we have made some changes to our make-up test policy (Handbook pg. 24). Mrs. Doherty will be in her classroom (Room 26) every morning at 6:30 to give the make-up tests. No one will be admitted after 6:45 a.m.

If a student will miss a test because of a school-related activity, the student has two options:

1. The test may be taken the morning of the scheduled absence.
2. Or the test may be taken the following morning at 6:30 a.m.

Failure to take the test on those opportunities will result in the student receiving 50% credit on the test.

Students who are absent for less than 3 days and who miss a test are expected to make up the missed test on the first morning the student returns to school. If the student has more than one test to make up, Mrs. Doherty will arrange a schedule for the make-up tests.

If a student has an extended absence (3 or more days) the student must see the teacher for instructions and Mrs. Doherty will schedule the make-up tests within three days of the student's return to classes.

Any student who does not make up a test according to the above guidelines will receive no more than 50% credit on the test. In addition, a grade of incomplete will be recorded on all progress reports and report cards until the test is made up. A grade of incomplete is considered academic probation and must be resolved before credit is issued for any class or before a student can graduate from Teurlings.

If you have questions on the policy, please contact me at 235-5711, Ext. 103.

It is important that students do not miss class unless the student is seriously ill. Please attempt to schedule appointments for after-school hours. The state mandates that students who miss more than 10 days in a semester or 20 days in a school year in any class will not receive credit for that class.

## More Of YOU...Less Of Me

### Campus Ministry

#### Kickoff Rebel Revival

The theme for our first Rebel Revival of the year was "Get Fired Up to put God First." The night was filled with the Holy Spirit as students from every grade gathered for praise and worship, prayer, fellowship, and a testimony given by senior, **Lindsay Primeaux**. Join us at our next Rebel Revival on October 25<sup>th</sup>! Special thanks to **Ali Beslin**, **Michelle Junot**, & Retreat Ministry for planning the exciting night!

#### Prayer is a Celebration of Christ

Our monthly prayer service held in the gym dove into the importance of prayer in our lives. The scriptures and meditations read brought to mind the many ways we can take time to realize Jesus' undying love for us. The "Confession Skit" was a profound portrayal of the ultimate sacrifice Jesus made for us by dying on the cross. Thank you Retreat Ministry! Once again, Music Ministry did a great job of leading us in prayer!

#### "The Game of God" ~ Freshman Retreat

On Tuesday, September 19<sup>th</sup>, the Freshman Retreat was held in the Comeaux Recreation Center Gym. The theme was "The Game of God" and focused on the many paths people take to build a relationship with God. Throughout the retreat the freshman class got a chance to get to know one another, engage in games and praise and worship, and meet with senior and junior group leaders to discuss more in depth issues. Overall, the retreat was a fun-filled, spiritual, and relaxing day for the freshmen to reflect and listen to God's call. Special thanks to **Lori Leday** and **Cassie Viator** for planning the retreat, the Retreat Ministry Class and Retreat Team for leading the days events, and **Elyse Leblanc** for sharing her heartfelt testimony.

## Capital Campaign Update

### STUDENTS AND TEACHERS MOVE INTO THE NEW CLASSROOMS

Teachers and students moved into the new classroom building on September 6th. The new classroom wing houses all of the English, Social Studies, Spanish and Speech classes and the Speech and Debate Office. The renovation of the old Jr. High building should be completed by the end of September and will house all Theology and French classes.

### CONSTRUCTION ON THE NEW ATHLETIC COMPLEX NEARS COMPLETION

The weight room is completed and being enjoyed by all Rebel Athletes. The locker room, training room and shower facilities will be completed within the next month. We are still in need of approximately \$100,000 and are humbled by the continued generosity of Rebel Alumni, Parents, and Fans.

Anyone wishing to donate to this project should contact **Angela Delhomme** at 235-5711 extension 150 or by email at [adelhomme@tchs.net](mailto:adelhomme@tchs.net).

### TCH FOOTBALL ANNOUNCES "ADOPT-A-LOCKER" PROGRAM

The Rebel football program has announced the implementation of the "Adopt-A-Locker" Program. Former REBEL football players will have a chance to build upon the TCHS legacy. With a \$100 donation, a plaque with the name, position, jersey number, and seasons played will be mounted on a locker in the new Athletic Complex. Every current and future TCH player that wears a Rebel jersey will know the history and tradition of the number. REBEL fans and alumni will also have the opportunity to participate in the program with a plaque mounted on the respective locker. Contact **Angela Delhomme**, Capital Campaign Director at [adelhomme@tchs.net](mailto:adelhomme@tchs.net) to reserve your jersey number. Thank you for your support and REBEL Pride!!

### BOYS AND GIRLS BASKETBALL PROGRAMS GET NEW LOCKER ROOMS AND COACHES OFFICES

Boys and Girls Basketball Locker Rooms and Coaches Offices are currently being constructed in the space of the old weight room thanks to a generous donation. The expected completion date for the project is October 1st.

**We would like to extend an invitation to all TCH Parents, Grandparents, and Alumni to come by and see our progress. We couldn't have done it without your support!!!**

## COUNSELOR'S CORNER

Anna Proctor & Milton Rohm

On October 18<sup>th</sup>, all **Juniors** will take the Practice SAT test. The test serves as a practice for the SAT college entrance exam. Juniors who score high on the test can be eligible for National Merit Scholarship Awards and Competition. Students wanting to attend an out of state college should take the SAT exam and the ACT exam.

Any **Sophomore** Honors student can sign up in the guidance office to take the PSAT with the juniors. As a sophomore, the test will only serve as a practice. Space is limited. The cost for sophomores is \$10.00.

All Freshman and Sophomores will take the Practice ACT test on October 25<sup>th</sup>. The PACT is also called the PLAN test because it includes an interest inventory and career map to help students learn more about their interest and careers. Coach Milton Rohm, Counselor will be visiting the 9<sup>th</sup> and 10<sup>th</sup> grade classrooms to distribute study materials and to inform the students about the test. Students who are not already in honors can use this score to apply for honors next year. This is a great way to practice for the ACT which is used along with the students grade point average to enter into college.

Coach Rohm will also work with the **9<sup>th</sup> grade students** on developing a 4 year plan for completing graduation and TOPS core curriculum requirements. Look for this information during the first week of October.

The next **ACT test** is October 28<sup>th</sup>. Students assigned to TCH should arrive on campus around 7:40 am. Bring your admission ticket, pencils and a calculator.
