THE OFFICIAL NEWSLETTER FOR PARENTS OF  
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

## SEPTEMBER, 2006

### From Our Principal...

The 2006-2007 school year will mark the beginning of the sixth decade that Teurlings Catholic has provided a quality Catholic education to students. Over thirty-five hundred graduates have prepared the foundation that our students follow today. Our students this year and for years to come will have the opportunity to utilize new classroom and athletic facilities. We are just a few short weeks away from moving into the new classroom space and athletic complex. Construction and renovation have moved slower than we had anticipated. Our students and faculty have been extremely flexible and understanding these first few weeks of school. We will announce a formal dedication of the new building when we can appropriately forecast a completion date.

We would like to welcome several new faculty and staff members to the family of Teurlings Catholic. Mrs. Lisa Taylor is now our Business Manager, a position she filled over the last week of May. Mrs. Taylor comes to us from the Academy of the Sacred Heart where she worked in the finance office for fourteen years. Her son, Dane, is a junior at TCH. Mrs. Leslie Bergeron comes to us from Trinity Catholic, where she was an assistant principal. She will be teaching computer application and theology. She is the mother of TCH alumnus Derek and current junior Drew. Ms. Anika Breaux, TCH alumnae of '99, joins our mathematic and theology departments. Mrs. Liz Synder, daughter of TCH faculty member Josette Surratt, enters into her first year of teaching in the theology department. Mrs. Synder will also serve as our music minister. Mr. John Frugé, joins our staff full time teaching public speaking and coaching our debate team. Mr. Frugé was on campus last year as a long term substitute during two faculty maternity leaves.

Three important dates are on the calendar for the month of September. Progress reports will be sent home on Wednesday, September 13; ask your students to see the copy. On Thursday, September 14, following a prayer service, the Fall Academic awards will be distributed to qualifying students. On Wednesday, September 27, at 6:00 p.m. in the Rebel Dome, the guidance department is sponsoring a meeting for all senior parents to share information regarding scholarship and TOPS opportunities.

Assistant Principal Terri Baudier and Business manager Lisa Taylor have exchanged offices. Please report to the front office for all financial business. Assistant Principal Marty Heintz is sharing space with Mrs. Baudier until the classrooms are completed. She will then move to the office building behind the chapel. We have made these changes to facilitate the distribution of students on campus due to the additional classroom space.

We have experienced numerous changes to our campus since last May. All have been put into place for the betterment of the educational process for our students. One thing that will never change, however, is that Teurlings Catholic is family.

### TIPS FOR FRESHMEN PARENTS!

Welcome to all of our new freshmen parents! If you have had a child attend TCH previously, welcome back! When a student enters high school, it can be just as scary for the parents as it is for the student. I put together some tips to help you through the first few months, and hopefully help your child have a great start!

**#1) Read the School Newsletter.** Everything you want to know (and sometimes don't want to know) is in the monthly newsletter. It is packed full of information that parents need to know. You can find out when grades come out, what time dances end, who to contact for assistance. In addition, you receive an updated monthly calendar.

**#2) Get your Child Involved.** If your child has too much free time on his or her hands, this could lead to trouble. Don't be afraid about your child balancing school work, sports, and clubs. Clubs and sports teach them to be more responsible and organized. Going home and watching TV every day teaches them to be lazy. Your children will only get out of high school what he or she puts into it! Check out our school handbook for the many extra curricular offerings - and we do have a lot of them!

**#3) Friends.** Know with whom your child is hanging around and don't be afraid to ask questions. If they ask to spend a night, call the parents and ask about the friend's curfew and restrictions. If your child gives you a story, check it out!

**#4) Communication.** Nagging or asking a million questions is not communication. LISTEN. Let your child tell you about his or her day on their own. Let them know that you are interested in what they have to say, even if it isn't juicy gossip. You will find they will enjoy sharing things with you more often.

**#5) Set Expectations.** Talk to your child about the pressures of sex, drugs and alcohol. Let's face it; it's everywhere. Most students feel that their parents have no clue about what goes on and some may be right. Keep educated about popular drugs and what goes on today, and talk to your child about these issues. Tell them often about your expectations. Don't just assume they know. Check out [www.theantidrug.com](http://www.theantidrug.com) for lots of useful information.

**#6) Go with your Gut!** If you notice any major changes in grades, grooming, hygiene or attitude, don't brush it off as normal teen problems. If the change is big enough to notice, recognize it and get some help from the school. If progress reports or report cards seem too good to be true, call the school and double check. Don't ignore anything that you find suspicious. Usually, your first instinct is right, because you know your child better than anyone else.

**#7) Valuables or \$.** Do not allow your child to bring valuable items or large amounts of money to school. We do have occasional theft, especially in the locker rooms. All students have a locker with a lock, and can keep equipment, valuables, jewelry and money locked up during lunch and P.E. classes. Thieves can only steal what is lying around, so part of the responsibility is on the student. Better safe than sorry!

**#8) Uniform.** Check your child's hair and uniform to make sure they are following the dress code. If in violation, they will get written up for detention or even Saturday school. Let them know you support the school rules.

**#9) Parental Involvement.** Join us for our school Mass on Thursday mornings, attend athletic events and special functions, or join a parent group. Even though your child may act like he/she doesn't want you here, it means a lot to see you around!

**#10) Bullying.** If your child is coming home from school or practice upset because of teasing or bullying, please let us know. The only way we can handle the situation is if we know about it. Please call me at Ext. 102 and we will try to solve the problem in a way that is best for your child. We do not tolerate bullying or harassment on our campus.

**GOOD LUCK, AND HERE'S TO A WONDERFUL YEAR!**

## ACADEMICS

**Marty Heintz - Assistant Principal**

### It's off to the races!

The school year has just started, but before you know it, we will be counting down the days until May, graduation, and summer vacation once again. Every year I like to remind faculty and students alike that there is no other profession where you literally do start over each and every year as you do in education. Whether it is a teacher facing new students or students facing new teachers and classes, every year is different and a new beginning. What happened last year is old news and students have a chance to erase mistakes they may have made in the past year. And, that's the way I like to look at it, rather optimistically. Even if things were not so good academically last year, here's an opportunity to start over. Encourage your student to remember that and to treat the start of the school year as a new beginning, a clean slate, and the beginning of a great future.

### Where's my classroom?

Parents, rest assured, your children adapt to new situations much better than we think! As your students have no doubt told you, our new classroom addition was not ready for the start of school thanks to some construction delays. As a result, everyone, teachers and students alike, had to start the year in temporary quarters. It was amazing how smoothly our first week went, despite the fact that few teachers were located in the rooms listed on the student schedules, or that lunches were also switched around at the last minute. Very few of our 680 students were lost or went to the wrong lunch. It helps reassure all of us that, when they leave the nests here at school and at home, our little birds will survive and not get lost.

We will go through the moving process twice more this year, once when the new building's 13 classrooms are ready and again when the theology building's five rooms are completed. Each and every one of our students will have at least two classes in the new buildings, since all social studies and English classes will meet there. The new classrooms are gorgeous, bright and HUGE!

### Progress reports and report cards

Our first quarter progress reports will be issued to students on Wednesday, September 13. There is no reason why your student will not bring home the official printed progress report on that date!

First quarter report cards will be issued on Monday, October 16, which is also our parent-teacher conference day. No first quarter report cards are issued to students. The report must be picked up by a parent or guardian. Why? Because we feel strongly, as a school, that doing so helps us to establish the lines of communication with parents. All of our teachers will be on campus from 11:00 a.m. to 7 p.m. to meet with you and discuss the progress of your student. You are not required to meet with the teachers, but this is a day set aside for you to do so. Even a quick "hi, call me if you need me" is appreciated by the teachers. See you that day!

## MESSAGE FROM ASST. PRINCIPAL TERRI BAUDIER

### Oh, What a Beautiful Site...

To look out and see all the tennis shoes so white! Since most of our students purchased the white Reeboks it is great to see all the students look the same. Some students chose the black shoe and a handful chose the brown dress shoe, but even those still look uniform.

Many high schools are going with the logos on everything now, and I am glad we got a jump on it this year. Many students try and wear non-approved pants and the logos should help with this problem. My goal this year is to keep consistency with the girls' shorts and skirts. Many girls roll the waistband on their shorts over, to make them shorter, or wear them unbuttoned and on the hips. They try and hide this by rolling their shirt over instead of tucking them in. Students will consistently be written up for this.

If any student removes a logo and puts in on a non-uniform pant, they will face serious consequences.

I hope you as a parent support our rules and help keep your child in uniform at all times.

### PARKING SPOTS

Only a handful of parking spots remain now that the juniors and seniors purchased their parking spots. I will once again give out spots to the sophomores that are ready to drive to school. Please understand that not every sophomore will get a parking spot. We only have so much space and we cannot create anymore.

### AHERA Asbestos Management Plan

The Asbestos Hazard Emergency Response Act of 1996 (AHERA) mandates that all Local Education Agencies have all their facilities inspected for asbestos and that a Management Plan be developed. The Management Plan illustrates the location of Asbestos Containing Materials (ACM) and describes the course of action to take in regard to managing this material.

Since 1994, all diocesan schools have had a prepared AHERA Management Plan which is available for review at the Principal's Office. Teurlings Catholic has been inspected by school staff every six (6) months and reinspected by a Certified Management Planner every three years, most recently in 2005. There were not any abatement projects or response actions taken the previous school year, 2005-2006.

### Allergic to Pesticides

If your child is hyper-sensitive to the following pesticides used on the Teurlings Catholic Campus, please notify Ms. Collado in the front office. Pesticides: Cypermethrin, Cvanomethyl, and Diphacinone.

### Immunizations

State Law requires all students enrolled in school must take **Booster** immunizations every 10 years. Once your student has taken his/her booster immunizations, please send an updated record to the front office.

### Visitor Parking

If you are visiting the school during school hours, please park in the driveway in front of the main office. All parking lots, including the one in front of the office, are assigned to students and/or faculty and staff. We thank you for your cooperation.

**TO:** Parents, Teachers, Employees and Organizations of the Diocese of Lafayette

**FROM:** Anna Larriviere *AL*  
Superintendent of Schools

**DATE:** May, 2006

According to the Asbestos Hazard Emergency Response Act (AHERA), each school system must notify the public of inspections, response actions, periodic surveillance and re-inspection activities on an annual basis.

This is to inform you that AHERA Compliance Management Plans are available for public inspection in either the principal's or coordinator's office of each school site in the Diocese of Lafayette School System. These documents include the Inspection Reports, Re-inspection Reports and the Management Plan. Requests to view these may be made Monday – Friday during regular school hours.

Inspections of Asbestos Containing Material (ACM) are made by each school every six (6) months. Every three (3) years, re-inspection is conducted by a Certified Asbestos Inspector/Management Planner.

## MORE OF YOU...LESS OF ME

### Campus Ministry

#### Introducing our 2006-2007 Senior Retreat Ministry Team:

Heather Andrew, Andrew Arton, Kelly Bergeron, Ali Beslin, Travis Broussard, Alysse Callier, Nicole Ducharme, Josh Fontenot, Chase Guidry, Marcy Jock, D'yonne Jones, Michelle Junot, Kylie Latiolais, Elyse Leblanc, Lori Leday, Toni Menard, Madison Montelero, Jacob Olivier, Spencer Ortego, Trey Patin, Lindsay Primeaux, Brittany Robicheaux, Cody Thayer, Sophie Theriot, and Cassie Viator.

#### "More of YOU...Less of me"

The Campus Ministry theme this year is "More of You...Less of me." Our focus in ministry this year is to strive to bring more of Jesus into our daily lives, and focus less on ourselves and our own wants and desires. We have big plans this year as we start a Campus Ministry Club on campus! We invite all grades to come to our first meeting on Thursday, September 7th at 2:45pm. We look forward to a school year filled with exciting and faith filled retreats, Rebel Revivals, and various ministry events!

#### New Student Prayer Service

Many new students gathered together in the RebelDome on Monday, August 14th for the New Student Prayer Service. Jesus' presence was felt by everyone in attendance as scripture was read, prayers were said, a skit was performed, and the Retreat Ministers, along with Jamie Orillion, led the new students in a powerful praise & worship session. To close the prayer service, blessed scapulars were distributed to all new students as they begin their spiritual journey here at TCH. Thanks to everyone who attended the beautiful event.

#### Weekend in Butte Larose!

A weekend in Butte Larose was the perfect way for the Senior Retreat Ministry Class to kick off the school year! Mrs. Badeaux and the class spent the weekend boating, hanging out by a bonfire, praying, bonding, and much more. After a weekend get-away together, we are ready to start ministering! *Special thanks to Mr. and Mrs. David Guidry, Mr. Ricky Jock, Mrs. Faye Leblanc, Mrs. Cheryl Robicheaux, and Mrs. Judy Viator for helping to make the retreat so special!*

#### Opening Liturgy

Thursday, August 24th was our Opening Liturgy celebrated by Fr. Jody Simoneaux. Our wonderful team of music ministers led us in beautiful song and we met our newest music ministry leader, Mrs. Liz Snyder. Our Retreat Ministry Class prepared the mass and followed with a skit depicting the theme for the year, "More of You...Less of me." What a great opening to the new school year!

#### Prayer for New Students

God our loving Father, we ask you to bless our new students and help them to feel welcome and a part of our school community. Remind students and teachers who are "old timers" to be helpful and courteous to our new students. At the same time, help our newcomers to find their way around and adapt to their new classes easily. Bless them with many friends and much success in all that they do. We pray in the name of Jesus, the Lord. Amen.

#### Upcoming Events

- Campus Ministry Club Meeting at 2:45 – September 7<sup>th</sup>
- 1<sup>st</sup> Rebel Revival – September 13<sup>th</sup>
- New Retreat Team Members Workshop – September 17<sup>th</sup>
- TCH Freshman Retreat – September 19<sup>th</sup>

**Anna Proctor & Milton Rohm**

Coach Milton Rohm will visit all 9<sup>th</sup> grade classrooms in order to talk to the students and address in concerns or issues with their transition into high school.

Mrs. Proctor will meet with the seniors during September to discuss a variety of topics including: ACT/SAT testing, college application process, searching and applying for scholarships, TOPS and much more.

On Wednesday, September 27<sup>th</sup>, there is a **mandatory Senior Parent Meeting** at 6:00 pm in the Rebel Dome. We encourage at least one parent to attend. Mrs. Proctor will discuss ACT/SAT testing, college admission procedures, searching and applying for scholarships, TOPS and much more. Parents will be given a variety of information to help with these topics. Each student and parent will be given a copy of their overall high school transcript from the Louisiana Department of Education and a TOPS transcript so that each student can see where they stand at this point.

The deadline to apply for the **October ACT test** is September 22<sup>nd</sup>. Register online at [www.act.org](http://www.act.org) or pick up a packet in the guidance office. When registering for the ACT, here are some codes that you will need:

TCH Code 191-421

TCH Code 157110

TOPS code 1595 (Use this code in the section that ask you to list the colleges where you want your score to be sent. You can list up to four college codes. Choose TOPS for one of those choices.)

**Math Lab:** The Math Lab program allows students to receive after school tutoring for \$10 a session, pay as you go. The lab meets on Tuesdays and Thursdays with Mrs. Roberta LeBlanc and Ms. Anika Breaux in Room 8, beginning September 5<sup>th</sup>.

## PenniesFromHeaven

*There are many opportunities in which funds are generated for our school and with no extra cost to our families. Thanks!*

### INK CARTRIDGES

Coordinate your empty laser and inkjet printer cartridges to help TCH earn free computer technology. Drop them off in the front office or to Mrs. Shayree Latiolais.

### COMMUNITY COFFEE

All **Community Coffee** product UPC/bar code labels are accepted by Toni Dueitt (Ext. 107) anytime of the year. Also, you can save your CC's receipts! Each label or receipt is worth up to 15 cents. Funds are earmarked for the library.

### OFFICE DEPOT

While shopping at Office Depot, help TCH get school supplies. **Just give them the ID Number: 70042050.**

### ALBERTSONS

Use your scan card, and a percentage of your grocery bill earns cash for TCH. In the past, shoppers used two scan cards, a Community Partners TCH scan card and a Preferred Savings Card. You may now combine these two cards and just use the Preferred Savings card for both discounts on food items *and* to receive credit for Teurlings. Visit [www.albertsons.com](http://www.albertsons.com). Click on "In The Community" then click on the Community Partners logo link. Once you log in, click on "Sign me up." Or, you can pick up and complete your Supporter Registration Brochure making sure to include your Preferred Savings Card number, leave it with customer service or mail it to the Community Partner support center at Community Partners Program Headquarters, P.O. Box 193, Bethel Park, PA 15102-0193. Money earned goes directly back into TCH Academics!

### WINN DIXIE

Shop at any **Winn-Dixie** or **Winn-Dixie Marketplace** store **anywhere in the U.S.** and at the end of each quarter, TCH can receive a check. For example, last quarter, because participants spent \$60,000 at the store, TCH received a check for \$1,800! All you need is a Customer Rewards card and a Community Pals scan card, which are used at the time of purchase. It costs you nothing! Community Pals scan cards are available in the TCH front office or use the enclosed bar code.

Present this coupon and your Winn-Dixie Customer Reward Card to the cashier at checkout. The cashier will scan them both to activate your account. Then every time you shop at Winn-Dixie, you can earn money for your organization when you use your Customer Reward Card.
